Commissioner of Public Safety

Issued: March 24, 2020

Governor Gina Raimondo issued Executive Order 20-10 on March 23, 2020. The Order requires any person who returns to Rhode Island via domestic air travel must immediately self-quarantine for fourteen (14) days to reduce the spread of the COVID-19 / Coronavirus. The Town is encouraging anyone traveling from out of state who resides in Narragansett or is travelling to Narragansett to reside, for any length of time, self-quarantine for fourteen (14) days, especially those arriving from locations with a “Shelter in Place” Order.

As for interstate commuters, the Governor again urged all employers to allow their employees to work from home to help reduce the number of people driving in and out of neighboring states.

As this situation is evolving rapidly at all levels, we need the partnership and cooperation of all residents to help keep our community healthy and safe.
