When testing became free for residents 18-39 every employee should have been sent for testing.	10/4/2020 7:09 PM

68	yes came less often	9/20/2020 5:50 PM
69	This year was a mess as the beach was 1/4 full before it even opened. I watched people flood the beach daily at 6:30 in the morning and for the first month coolers were not being checked and it was one big party	9/20/2020 4:02 PM

82	Yes. Did not use bathrooms or eating area. Went only at low tide ( tried a few other times not at low tide and felt it was still too crowded . Saw loads of people with day bands on their wrists on crowded days . Went to the beach way less than normal . Felt that anyone on the beach before 7:30 am should have been asked to pay or leave . 300 and more on the beach before it opened is unacceptable.	9/19/2020 9:40 AM
83	The cap on maximum capacity, coupled with the lots being available to residents only, and the west lot being closed for parking was key in the attempts to control the crowds. However, we found that the beach still seemed over crowded on the weekends when it was high tide and therefore either avoided the beach entirely on the weekends or worked our day around the tides in order to feel that we were safely distanced from others (more that others were safely distancing from US!)	9/19/2020 6:51 AM

478	YESSSS, I was very disappointed that there was not a place set aside for 60+ or a morning set aside for us to use the beach. I am a cabana holder and have been for over 50 years, the last I heard at the zoom meeting was that they were only going to allow a percentage of the actual capacity on the beach. I can tell you that was not the case no one wearing a mask and therefore I could not go to the beach for the entire season. To say I was disappointed is an understatement and feel you did not do enough for seniors. I also don't know what you mean by question 11 because I went down after 5PM and there was no staff on duty at the cabana lot and I went several times. Cars were just flowing in without hang tags. 570	You need to have a plan in place and enforce it ! When I asked the beach manager what he was going to do about the kids drinking and congregating in large groups he told me he had no plan and asked me if I had any suggestions. In addition when I forgot my face mask and was asked to get it to come up on the pavilion I did so without question . When I came back the same person who asked me to get my mask allowed 3 teenage kids to get on to the pavilion without masks . When I questioned him he said we don't enforce the mask rule for kids that age . Have a plan enforce the rules and make no exceptions! That way everyone will understand what is expected. As a 40 year resident of this town I was very disappointed with the way beach management handled the Covid issue . If Covid continues to be an issue we should close down the beach to all non residents. We had people coming from out of state that should have been in quarantine using our beach putting our residents in harms way . In addition we should go to a barcode system for beach passes . As we know passes are hand out multiple times to different people . If we went to a barcode system the kids could Scan people in and out and they would no if the pass was being used multiple times .	9/15/2020 4:44 PM

605	During the last two weeks of June I did not find the beach a safe place to be. Staff were not consistent in wearing masks. Teens were congregating in super large groups. Then things changed! In July and August I returned to the beach and felt safe.	9/15/2020 4:24 PM

617	This year we only went to the beach 8 times , normally it would be in excess of 20. Covid distancing & masks in the heat are necessary, but do not make it enjoyable.	9/15/2020 4:18 PM
618	No but enforcement and compliance with masks and social distancing was lax. Staff did not enforce at the entrances or on the decks. In some instances staff did not comply either.	9/15/2020 4:17 PM
619	Yes because there were too many non residents allowed on the beach. It was like being at a rock concert. We couldn't go every weekend because you let too many non residents on to the beach.	9/15/2020 4:17 PM

623	Minimally. It was very frustrating not to feel safe on the town beach this year. As a taxpayer, I didn't feel safe on the town beach. More should have been done to limit the amount of people allowed on the beach. There should have been closures when the beach got to a certain amount.	9/15/2020 4:15 PM

751	Yes. During weekends as too many out of town people were admitted. I walk early and hundreds are there prior to opening which is minimizing the towns anil to capture their revenue. Inwiuod recommend opening earlier and working with Narragansett DOT to set up barriers on the wall from Parking till noon. A would estimate a great deal of the early beach goers are not shopping nor eating in restaurants, they are merely creating lost opportunities and increasing the capacity at the same time	9/15/2020 3:19 PM

## Q12 How was your overall experience at Narragansett Town Beach?

## 2020 Narragansett Beach Survey

#	RESPONSES	DATE
1	noticed on a number of occasions groups of non-residents who seemingly got to the beach prior to the opening and never paid admission.	10/12/2020 9:04 PM
2	Loved the restricted parking. Made it easy to access beach, without the regular amount of cars.	10/10/2020 9:58 PM
3	not good this year as previously mentioned it was too crowded. Was hoping late season would be ok to go but then it was packed with college students in September so I didn't get to use it then either. Finally October but it's in the 60s and can't go swimming which is what I truly enjoy in the summer.	10/9/2020 4:57 PM
4	Great summer	10/8/2020 9:15 AM
5	Excellent	10/7/2020 7:34 PM
6	Overall good experience. Under tough conditions with COVID I think the town employees did a very good job trying to manage a difficult situation.	10/7/2020 7:24 PM
7	Excellent, though it would be nice to have parking available in the early morning for those who have passes and want to surf/walk the beach. Regarding the question below, use an email newsletter. Facebook is dumb and twitter is for psychopath "presidents" to spout nonsense.	10/6/2020 9:45 PM
8	I love it. I do wish my friends in neighboring towns including boyfriend who are not a residents could join me for much cheaper. I do get 1 transferable pass for this reason. Please do not raise fees to purchase passes for friends if I am a resident. Ps this survey was never sent to me by the town Like in last years. I am have been a home owner for 7 years in Narragansett after renting many homes in the town prior. Please update digital team ASAP.	10/5/2020 10:14 PM
9	Very good. The beach was clean and great day	10/5/2020 8:34 PM
10	:)	10/5/2020 8:01 PM
11	We need a beach carrying capacity study. It is not enough to increase fees We need to determine the no.of people the beach can accommodate safely and w/o harming the Town's main resource. The days when 10-12,000 crammed the beach should be a distant memory. Daily admission down from \$975,328 to \$897,857 ? Clearly, the 3500 daily limit set was not followed. The Town refuses to discourage people from abusing our beach They let on hordes during the summer Daily admission pd in cash is deal breaker. There aren't enough cameras in Narragansett to prevent theft if someone is so inclined. Daily parking sales off \$226,000- since no NR/NT parking in south and west lots this is understandable. Parking lots must remain restricted to residents / taxpayers . Make up the deficit with increased daily admission charge. Increase the fee for resident/taxpayer parking passes if necessary. Next yr West lot should be open to NR/NT after employees are accommodated. Parking lots must continue to be restricted to residents until 8 pm. Staff must put parking stickers on the inside window. Too many people "lost" their stickers this yr. and had them reissued. Limit of 5 transferrable entry passes is long over-due \$100 is fair considering the \$15 daily fee People have been buying the \$75 pass for friends and others have been selling them. If a resident/taxpayer has a large family they can be accommodated on a case by case basis. The parking lot revenue was down because the south and west lots were closed to non-residents. The majority of resident/taxpayers don't have any interest in the beach being a cash generating machine for the beach Enterprise fund . None of the revenue goes into the General Fund. Now we have bathrooms open -the state beaches do not. Result: The Town beach parking lots are jammed from Labor Day on . The State beach lots -all but deserted . The taxpayers do not want to pay for bathroom facilities for NR/NT . Port-a-johns are sufficient. The Animal Control Officer needs help to stop the people with dogs and at times ,horses who ignore the ban 4/15 to 10/ 15 and before and after the beach opens Memorial Day to Labor Day. Still, there should never be any animals on the beach - ever. Dogs and other animals are a source of water pollution and they should be banned at all times There is a NON-resident handicapped parking sticker ? Really? How many were sold ? At \$50 each and a gross of \$8301 those sales mean 160 parking spaces potentially taken up by non-residents ,non-taxpsyers. Admission to State beaches is free for these individuals .This is just another scam waiting to happen . Have grandma get a non-resident handicapped pass and take grandma's car to the beach Another variation : I know of one NR/NT who had an elderly neighbor of mine on Earles tell Steve Wright she took her to the beach so she could get a parking sticker. She never took her to the beach once even though she continued this scam until the neighbor died. It is not the residents' responsibility to provide customers for local businesses. We should not be expected to turn over our Town to	10/4/2020 7:09 PM

## 2020 Narragansett Beach Survey

non-residents,non-raxpayers so a restaurant can sell a few more clamcakes. This will continue until we force a change in mindset. Reality check: Those who get to the beach before opening time to get free use of facilities,lifeguard protection,sunscreen etc take every parking spot on Ocean Rd and every side street which they monopolize at least until 7pm. These people come into Town for the freebies .To assume they would spend money at any of the 3 restaurants on Ocean Rd is convoluted logic . Ditto ,those who park on Boon from Central to So.Pier Rd. THESE FREELoaders DETER PAYING CUSTOMERS WHO WOULD FREQUENT PIER BUSINESSES. Even though the beach opening times will be at 7:30 am on the weekends and 8:30 am during the week next yr. it didn't help this yr and it won't next yr.The genie is out of the bottle and won't go back in voluntarily. The staff has to step up enforcement on the wall jumpers. The Town also needs to charge the hundreds on the beach each day when it opens . There is no legal reason why this can't be done. Example: Sneak into a movie theater er before it opens .When the doors open and people are sitting in the theater do they stay ? No ,they get thrown out or charged. The Town should adopt this same policy and charge those on the beach when it opens . Again, the residents/taxpayers should not be expected to pay for a NR/NT free use of the beach facilities, lifeguard protection and even free sunscreen . The staff can collect the entrance fee when the beach opens. Rent lighted signs and place them at the Rotary and at the North and South lots to advise potential beachgoers of intended enforcement. Finally, all lessee names on a Cabana application should be residents/taxpayers. Currently, a resident/taxpayer can split the cost of a rental with a non-resident ,non-taxpayer .This policy has contributed to the 10 yr waiting list. Said policy should be revisited.

22	Good. Loud young people still a problem with very loud swearing and inappropriate language. It got better as they year went on.	10/1/2020 7:17 AM
23	I felt the restroom entrance due to Covid should have had arrows to enter by door facing beach and exiting by door where the changing room attendant sits. This would also be helpful post Covid. I also feel the blue woven mat for walking down to beach should have two, one for entering the beach, one for leaving.	9/30/2020 10:12 PM
24	Too crowded considering covid	9/30/2020 6:30 PM
25	I was really put off by the number of people walking on beach prior to beach opening. I pay for a locker at the North Pavillion. Paying for security to prevent people from sneaking on beach would be beneficial. The town beach was overcrowded on weekends, mostly due to non-residents not paying prior to opening.	9/30/2020 1:03 PM
26	In spite of COVID, very good summer. I do wish enforcement of masks upon entering , restrooms etc. could have been strictly enforced.	9/30/2020 1:03 PM
27	Worst sales office ever. Like a bunch bullies !	9/29/2020 10:51 PM
28	Mixed. Many people went to the pavilion without masks, and some for away with this. The beach did not always feel safe.	9/29/2020 10:51 PM
29	Very good . Hard because of Covid. Things werent great in the beginning of the summer - way too many kids( teens). Drinking, loud, and many times inappropriate language. Groups of kids too close and no respect for social distancing. I realize "kids are kids" and its very hard . I sit	9/27/2020 7:30 PM

at chair 6 ( cabana) and it seems it's "overcrowded " with kids every year- until early July, then not so bad.

30	It was way to crowded at times & more crowded than past years., I don't think transferable passes should be sold due to the crowds & the popularity of the beach. The same amount of money or more can be made from day passes.	9/26/2020 9:39 PM
31	Excellent.	9/26/2020 11:54 AM
32	Parking and access restrictions are GREAT! Much improvement over last several seasons. GREAT improvement for Monday night music. Still too many daily walk ons. Even with number limitations which helped somewhat.	9/25/2020 5:31 PM
33	Very good but at night lately there have been pick up trucks with flags gathering in parking lot hanging out and sometimes leaving in caravans of 30 cars shouting and being intimidating. They seem to be using the parking lot as some kind of meeting area for their agenda. It's a bit scary.	9/25/2020 7:43 AM
34	Restrict the parking lots to residents/ taxpayers Do not allow volleyball teams to take over the beach in the afternoons !!!	9/25/2020 7:39 AM
35	Very good	9/25/2020 12:31 AM
36	My favorite place	9/24/2020 7:23 PM
37	This year was very good due to limiting parking and the number of patrons. Unfortunately, I found that the phone was not answered on several occasions. Please have a written sheet prepared next year for the beach rules to be read over the PA system. It needs to be consistent. Also, when I asked several employees what the plan for after Labor Day weekend was, I got different answers. Most said that there was going to be parking restricted to residents, which didn't happen. If we go back to pre Covid guidelines next year, I strongly recommend charging for parking after 5:00. I would prefer the parking be for residents only in the future.	9/24/2020 5:50 PM

42	We are so grateful for a great summer at the beach despite COVID-19. Thank you to all the staff that made this possible - you are outstanding!	9/23/2020 9:39 PM
43	My happy place	9/23/2020 1:07 PM
44	The unruly patrons really put a sour taste in our mouth! Interesting that money was taken from youth but they were all pushed down past end of town beach. My husbands beach pass was stolen. When I went to office to see if turned in it was there but was used fraudulently by someone. That's why I went to the office... pass wasn't returned but I was told he could purchase a transferable for \$200 or pay daily. Ridiculous... we are tax payers and should have to pay again. That's why I went to office. He doesn't go frequently enough to realize it was gone until he tried to go again! I witnessed many people jumping the wall this summer and getting on free or being told to go back and pay! Many patrons had items missing this summer! That end of the beach (cabanas) needs to be monitored better!	9/23/2020 11:56 AM
45	very good under COVID circumstances	9/22/2020 7:57 PM

50	Very limited this year. Hoping it will be better next year. Would love to see the parking limited to taxpayers for longer periods of time...perhaps from 8am to 10am and from 4pm to 8pm	9/22/2020 2:36 PM

## 2020 Narragansett Beach Survey

51	great - more concerts!	9/22/2020 11:42 AM
52	This was a challenging summer for everyone and we appreciate that we were still able to go to the beach, given the circumstances. The bathrooms were very dirty all summer. I do understand that there was concern around Covid, but more regular cleaning would help not hurt with the spread of the virus.	9/22/2020 9:41 AM
53	Very good.	9/22/2020 9:32 AM
54	Pleasant	9/22/2020 12:32 AM
55	Excellent this year because the parking was limited to residents. The number of people on the beach was limited to 3500 people. After 5 Pm was limited to residents thereby decreasing the problems we see at 5:00 with excessive drinking, fighting and rowdy behavior.	9/21/2020 8:08 PM
56	I feel non residents should be allowed in at least after 6 pm. It's not like the lots were totally filled with residents. Also if you have food trucks, I'm sure non residents would like to come and tourists would like to use the beach late in the day as well Security was much better this year but they need to be more visible walking around the beach rather than hanging out together on the cabana walkways. They need to be consistent from day one of the beach season and from the time the beach opens in the morning until it shuts so everyone knows exactly what is allowed and not allowed on the beach whether it is empty or crowded In addition, there were many people who set up the large canopy type tents, many down at waters edge, taking the ocean view away from many. Perhaps those tents should be set up at least behind the lifeguard chairs and back towards the pavilion. The signs indicating where ball playing is allowed need to be larger so they can be seen, written in bright colored ink! I believe the entrance fees and parking fees should be raised as this would bring less out of town people to the town beach and hopefully they would go to the state beaches There is one man who insists on smoking and even though told, continues to do so. Can't his pass be taken away after several warnings? He also talks to all the young girls and women and makes us very uncomfortable. One other thing, on very windy days , and there were many , instead of telling people to secure their umbrellas (which very few people do ) why don't they just tell people to SHUT ALL umbrellas to avoid anyone getting hurt by a flying umbrella?!	9/21/2020 7:23 PM
57	Beach is becoming too restrictive. The beach is the main thing that bring families to Narragansett. We've become a snobby town chasing everyone away. Why even have food trucks if you can't park here. Sell parking starting at 2pm then free for everyone at 5pm. Stop the nonsense!	9/21/2020 3:05 PM
58	very good	9/21/2020 12:01 PM
59	Always pleasant once we walked down to avoid the crowds and kids who would not wear masks	9/21/2020 11:55 AM
60	It was generally a good experience. There are times that I think it is too overcrowded, not even considering Covid.	9/21/2020 10:08 AM

63	Excellent	9/21/2020 7:36 AM
64	Beautiful beach Well maintained	9/20/2020 7:32 PM
65	I would still like to limit the beach/parking to just residents. In all other states and towns ONLY residents can park. Parking and lockers NEED to be limited to residents.	9/20/2020 5:50 PM
66	Not good this year -so disappointed as we pay for a changing room and the crowds of unruly beach goers was unbearable	9/20/2020 4:02 PM
67	Trouble in beginning with kids who were drinking and no social distance. Too many rules not being obeyed. Ball playing etc. man who flaunted rules by smoking and he was confronted by security but nothing done to him. He had been spoken to before. We feel he should have been made to leave the beach.	9/20/2020 3:53 PM

## 2020 Narragansett Beach Survey

70	beach was very crowded..I know attendants were counting but it was too crowded..also too much drinking out in the open.. security needs to watch where large groups come to sit with their backpacks and coolers... Then keep an eye on the group during the day and approach the group if it gets out of hand..many times the drinks are hidden so checking a cooler may not be the best..9 times out of 10 a drinking situation can be avoided by just watching the group/person and where they sit ..to make sure they are safe.. Chair 6 area had signs to indicate the area to not sit and also to indicate where to play ball .. they were hard to see because they were dull ..perhaps spray painting the 2 signs a fluorescent color so when groups are told where to go they can see the bright colored sign that's in the sand. ..or invest in large flags to put up in sand (like the swimming/surfing signs the beach has by chair 1).. This way a tall colored flag to indicate ball playing areas can be better seen for patrons.	9/20/2020 8:27 AM
71	Ok. Depending on when you went. I would have preferred a better notice than through FB or Twitter. Most people don't use or have either.	9/19/2020 10:26 PM
72	Better than past years. I appreciate the diligence at the gates. As a cabana attendee, I had issues with the lot flooding in the late afternoon In past years. Really appreciated your keeping this lot for payers only. Thank you.	9/19/2020 8:05 PM
73	It's a great beach! Regarding the after hours parking, while a good preventative for COVID, I feel bad for people who would come from out of town to go to the food trucks, or if I had a friend who was going to meet me there from outside of Narragansett, they'd have to find parking.	9/19/2020 7:01 PM
74	Very good. But i still can't understand the reason for the ATV to be driven on the beach where people are set up with chairs and blankets and the folks on the ATV are asking people to move etc. WHY?!? This is not baywatch! Please drive the thing down by the water where people can EASILY MOVE out of the way. Also, please announce over the PA to have people to put their umbrellas down when LEAVING their area. There were too many times where we had to catch others umbrellas because the owners were not around.	9/19/2020 6:26 PM
75	Excellent. Everyone works so hard. We love being able to access our locker, less traffic with food trucks, helpful staff, fun family friendly movie nights on the beach.	9/19/2020 12:58 PM

79	Some staff was on top of making sure people wore their masks . Others did not care and told me it was not their job to make sure people wore their masks at the bathroom or changing rooms . I spoke to many patrons telling them to put their masks on at the bathroom area and changing room area . I should not have had to do that . Most people walking on the blue strip inches away from others never wore their masks. The man who will not use the beach wheelchair but sits instead at the end of the blue strip needs to not be there for Covid reasons Lots of pot smoking and right near lifeguard chairs too . I had to go to security on more than one occasion to go to these groups . Security went over to them and They were not asked to leave . The groups remained on the beach so we left instead . Lots of drinking and people in large groups of 10-20 or more people . Many of the day people seemed to disregard a safe distance on the beach and wear their masks .	9/19/2020 9:40 AM
80	Ok. I think the lots should open at 6am. As a resident and tax payer who purchases a beach and parking pass I would like to use the beach facility prior to work.	9/19/2020 7:44 AM
81	As always, we LOVE our town beach! I would love to see "the parking lots restricted to residents/taxpayers only from 5:00 pm - 8:00 pm" policy continue next year and beyond.	9/19/2020 6:51 AM
82	Terrific	9/18/2020 9:34 PM
83	Omg amazing! A big thanks to the management and staff because without them there would be no beach this summer!	9/18/2020 9:17 PM
84	Excellent We thought everyone was extremely courteous and the staff was well trained in regard to Covid protections	9/18/2020 5:50 PM
85	Request that consideration be given to opening the gate, 7 days a week @ 7:30am. Non residents arrive early, take all the on street parking and enter the beach free. Parking is impossible for residents who want to walk the beach early before the crowds.	9/18/2020 4:25 PM

86	excellent you guys do a great job	9/18/2020 3:35 PM
87	Acceptable	9/18/2020 3:06 PM
88	This year was the most peaceful year ever on the beach! Yes, there were a few days with high crowds, but people kept their distance from others. I love and appreciate that the lots were restricted to residents/taxpayers from 5-8. It was so nice to plan an evening at the beach and not feel a need to rush to get a parking spot during events. Please continue this in the future. Please do not let the bitter folks on social media intimidate decisions for our town beach. This is a town beach. There are beautiful state beaches in our town and neighboring towns that people can visit. I was born and raised in Narragansett. When it came time to buy a house, I chose to pay more for a smaller house because I wanted to continue to be a part of Narragansett. I could have gotten a bigger, more "appointed" house in a neighboring town, but I chose Narragansett. I joke that my house is a very expensive beach pass! Please keep things the way they were this year. The only suggestion I might agree with is to allow paid parking in the West Lot, and to open up the West Lot for Food Truck nights. Leave the rest for the people who chose to live and pay taxes in Narragansett!	9/18/2020 3:03 PM
89	Great even given the pandemic situation. Nice job. I would love to see signs to remind people to NOT feed the seagulls as well as signes for NO PETS on the beach even after it closes. I thought there used to be signs for no pets allowed from May through October or something like that but don't see them anymore.	9/18/2020 1:58 PM

97	Good. but too many people(non/or resident/non/or taxpayer) sneak on the Beach Early that don't pay for a Beach tag. They should Police the Beach and check for Beach tags, during the day.	9/18/2020 6:15 AM
98	very good but during weekend very very crowded, but a lot of the beach goers were not very good at filling corona rules	9/17/2020 8:46 PM

101	We love the beach and overall had a great year. Michelle in the sales office is awesome and all sales office staff are knowledgeable. We had a few issues with the beach this year: 1. much more litter on the beach than in previous years. This seemed to be attributable to groups of teenagers. Can you have police officers give citations? Littering is illegal and it's a pox on this tremendous natural resource. 2. Beach rules aren't enforced. There was a no mask, no entry sign at the North Pavilion entrance but I saw lots of people being let onto the beach without masks. On occasion, there was great enforcement of requiring masks when people came to use the restroom but it depended who was on duty. Drinking and vaping are also often seen on the beach. Dogs are also brought on the beach after hours. Can police patrol the beach occasionally? 3. Poor injury treatment from staff member. My son was bit by a fish while surfing. He went to the first aid station at the North Pavilion and the staff member who treated him did a poor job. He didn't clean or disinfect the wound; he just put a band-aid on it. My son then went to a lifeguard chair and a lifeguard properly administered first aid. The lifeguards are great. 4. I understand that COIVD put more stress on 2020 operations but beach managers seemed cantankerous this year. Their enforcement of rules seemed capricious and they weren't friendly.	9/17/2020 7:53 PM

## 2020 Narragansett Beach Survey

104	I was very happy that it really wasn't crowded while I was there.	9/17/2020 6:51 PM
105	Having the parking restricted to residents/taxpayers only and increasing the hours made for a wonderful experience this year. I hope it continues next season. The staff was very helpful and polite, except for a couple grumpy old men at the top of the stairs who don't like to be questioned. If there is going to be a policy to check coolers (or any other policy) at the entrance of the NP, then it should apply to everyone and be consistent. I feel very uncomfortable being asked to check my cooler when the five or ten people in front and in back of me are ushered through. I am a 68 year old woman and have been a locker holder for 25 years. Really? They see me there almost every day. When I questioned why all coolers were not being checked, an older gentleman at the entrance blew me off with a haughty reply. Unacceptable. I hope this is addressed for next season. Thank you for extending the blue walkway down the beach. Is it possible to extend it a little further so that people do not have to wheel their carts and wagons through deep sand? It's a struggle for older people. One last question: why are there special parking for hybrid vehicles? There are no charging stations. I'd like to know. Considering the obstacles all of you had to deal with this year, you did a great job. Thank you.	9/17/2020 4:50 PM
106	Always wonderful	9/17/2020 12:50 PM
107	Unfortunately I didn't use the beach much due to the crowds. I was not comfortable with people not social distancing.	9/17/2020 12:43 PM
108	Wonderful! My only gripe were the hookah smoking and drinking 20-somethings sitting north of the cabanas. Those groups tended to play loud music which kind of bummed me out because I go down to that end of the beach for peace and quiet. Frankly, I don't care if they party...just do it quietly, please. Is it possible to encourage folks to use headphones/earbuds? Big thanks especially to Steve Chadwick whose cool head and many years of beach management really helped this season.	9/17/2020 11:13 AM
109	I love NTB.	9/17/2020 11:08 AM

112	Very Good	9/17/2020 8:43 AM
113	Narragansett Beach is the best. However, night time down along the wall needs to be patrolled more by police. People are urinating, vomiting, leaving trash behind, destroying property. If this keeps up it will ruin beach experience for all.	9/17/2020 7:28 AM
114	It was the best beach this year, especially during the pandemic. Restricting parking allowed residents the opportunity to enjoy the beach without overcrowding.	9/17/2020 7:24 AM

116	Awesome	9/17/2020 7:01 AM

118	Excellent. I especially liked how early in the season large groups of Noisy teens were encouraged to sit north of the cabanas. Kept that up.	9/17/2020 12:40 AM
119	Very good	9/16/2020 11:39 PM
120	Fine this year. Would suggest looking into limiting non-residents on high usage days with high tides. It did get a little crowded - almost uncomfortable on some days...	9/16/2020 11:23 PM
121	Great job, difficult year, but staff did great. We love the surf section, guards did a great job of keeping swimmers separated, with more surfers this will be critical for safety	9/16/2020 11:06 PM
122	Good	9/16/2020 10:19 PM
123	Very good.	9/16/2020 10:19 PM

127	Very positive, restricting visitor parking was great, enjoyed prioritizing residents for beach access.	9/16/2020 9:34 PM

131	great	9/16/2020 9:19 PM
132	wonderful	9/16/2020 9:01 PM
133	Smoking on the beach needs to be enforced- and not by a 15 year old. Also- NO Dogs on the beach- I saw dogs on the beach during the day often.	9/16/2020 8:34 PM
134	good	9/16/2020 8:13 PM
135	Good. I do think walk-one should have been limited more. Prioritize guests of those with passes.	9/16/2020 8:02 PM
136	Not great. I felt very unsafe at the beach because of the crowds. Other towns put in place limits crowds, especially non residents, to help preserve the beach for tax payer/ residents. For example only residents can bring coolers on the beach. The reduced parking at state beaches caused our beach more strain. There has got to be a better system.	9/16/2020 7:20 PM
137	Great!	9/16/2020 7:08 PM
138	Always good	9/16/2020 7:06 PM
139	Very good - there was more litter than I remember in past summers. I wonder if there is a way you can create volunteers/wardens of the beach that tidy up after themselves or others; kind of a pro-social group	9/16/2020 6:50 PM
140	N A summer 2020	9/16/2020 6:29 PM
141	I spent a lot of time at the beach I couldn't be happier	9/16/2020 6:26 PM
142	I wish there would be a "Resident Only" day/week or 1 week during the summer that was resident only so that town residents could enjoy the beach with their families in a less crowded environment.	9/16/2020 6:04 PM
143	It was a grand summer! Everyone was so nice and helpful. I even called the sales office from the beach to ask about smoking. The response was excellent and they made the announcement re NO Smoking on the beach and offered to call security. I was truly impressed.	9/16/2020 5:58 PM
144	It was good. I think the 8:00pm resident only is a bit excessive especially when there was a concert at the Gazebo. This attracts a lot of older folks and on-street parking is near impossible for them. I would have been nice to have a least the West lot open during those times.	9/16/2020 5:49 PM
145	Great. I feel that the other RI residents should be able to use the beach without a parking fee after 5. At least on weekdays	9/16/2020 5:46 PM
146	Very good	9/16/2020 5:42 PM
147	As I had mentioned previous years the South pavilion bathrooms are never as clean as the north They did do good job with crown control but always had to go in several stalls to find toilet paper and was never as clean as I thought they should be. Even though south beach goers were mostly residents or locker holders the bathrooms are never cleaned the same and get the feel of being second class citizens	9/16/2020 5:07 PM
148	Good	9/16/2020 5:03 PM
149	Great year with parking availability!	9/16/2020 4:26 PM

157	LOVED the fact that parking was limited to town residents!! PLEASE PLEASE continue that policy for next year!! I could finally park on a weekend! I would also request that's only 1 car per household be able to purchase a parking pass to alleviate weekend parking closures due to the lots getting filled early in the day.	9/16/2020 2:50 PM

166	My husband and I loved the town beach!!!	9/16/2020 1:59 PM
167	Good.	9/16/2020 1:41 PM
168	The conditions on the beach seemed comparable to prior years.	9/16/2020 1:18 PM
169	GREAT. Please keep limiting the nonresident access. It was much more enjoyable. Prior years saw too much overcrowding	9/16/2020 1:06 PM
170	I loved everything until the showers at the lockers were turned off. I though it was only outside water that we couldn't use. If the showers are connected to the bathrooms doesn't that make it inside? Either way, I feel like for the money paid we should have been able to shower before we left the beach since we are limited number of people using the lockers. I understand the cabanas still had water...	9/16/2020 12:41 PM
171	good	9/16/2020 12:41 PM
172	I feel there was very poor preparation/training for the whole staff especially the younger staff during this pandemic and am very surprised the beach was allowed to stay open by the Governor. Maybe you should have hired someone with a medical background to help the employees and manager understand the rules and regulations during the pandemic. Most personnel working there either did not wear their masks and kept them around their neck instead of on their face or wore their masks improperly with only their mouths covered and not their nose covered as well. All staff members should have been instructed to wear their masks at all time when they were working at the beach this year. At North beach there were at least 4 teenage employees checking in people and most of the time they didn't have their masks on properly or were standing to close together talking. Why weren't they cleaning the bathrooms every hour? Several complaints by residents to the manager were made and we all received answers like "I can't check on the employees all the time" or "We cannot do anything about people not social distancing". Really? There should have been a training session on what was expected of them, how to wear a mask, what jobs needed to be done when not busy, clean the bathrooms hourly, etc. There were at least two or more lifeguards sitting closely together on the life guard stands without masks and not social distancing. The security crew rarely walked around the beach and they did it without masks on and they did not ask people to spread out. The only thing they seemed to be concerned about was people drinking alcohol which although important was not the main issue during a pandemic to keep us all safe. The women's bathroom was disgusting and not kept clean. There were busloads of non taxpayers bused in and let out in front of the beach. This year especially should have allowed residents/taxpayers only at the beach and not non residents. If the parking was restricted to residents and	9/16/2020 12:40 PM

taxpayers then why was the lot almost completely full by 11am forcing everyone to get there early or we could not find parking spaces. People who pay for lockers/ changing rooms should have had priority parking spots available or allowed us to reserve parking spaces in advance. I could not believe how disorganized and poorly managed the town beach was during a pandemic.

173	as remarked before, it was the most "normal" experience we've had since last Februray	9/16/2020 12:40 PM
174	much better this year- keep it up We could sit in the cabana area without the softball players taking up all the space. The teenage groupies were also moved to another area. At last a quiet beach, Please put up larger sign telling ball players where to go and NOT in the cabana area. Put ropes around lifeguard chair so kiddies stop jumping off and getting hurt. When they make announcements, one cannot make out what is being announced in the cabana area. SECURITY people disappear in the cabana area and roam around. They did not see a person with a dog on the beach pooping, or correct kids playing in the cabana area. ONE RECOMMENDATION At Salty Brine Beach a sign reads, NO DOGS ON THE BEACH UNTIL October 1 - let us copy this. or how about no dogs allowed on beach ever!	9/16/2020 12:37 PM
175	Great after the 2nd week in July	9/16/2020 12:23 PM
176	great experience	9/16/2020 12:21 PM
177	We love spending our time at Narragansette beach. We have tons of friends who are residents and the staff is so welcoming.	9/16/2020 12:14 PM
178	Loved that both lots were restricted to residents and that no matter the time of day, I was always able to get into the lot. This hasn't been the case in previous years.	9/16/2020 12:14 PM
179	great	9/16/2020 12:03 PM

182	I found it much more pleasant .I always was able to find parking which was not the case other years. I loved it.	9/16/2020 11:50 AM
183	great	9/16/2020 11:35 AM
184	Great. Sometimes it seemed a little too crowded. I wished a few parties were asked to move further apart. Also, I wished more enforcement of mask wearing was done.	9/16/2020 11:30 AM
185	Great experience despite covid. Great job by all those involved. Exclusive resident/taxpayer parking access is much appreciated. As a resident, it's wonderful that I can go to the beach at anytime and not worry about parking.	9/16/2020 11:27 AM
186	This beach is one of the best things about the whole state. I would really like to see a couple things changed though. 1) In the early mornings, let the surfers, etc. be able to park in the lot. If their cars are still there without a pass after a certain time then ticket them. 2) Stop people/cheap skates from walking on before the beach opens. Extremely annoying for us taxpayers.	9/16/2020 11:19 AM

191	Excellent! Considering the pandemic, the management and staff did an incredible job and should be commended! Steve, our Director of Parks & Recreation is always very visible and attentive. Excellent job!!	9/16/2020 11:08 AM
192	Very good this year and liked less crowds. Non resident daily parking should continue to be no permitted.	9/16/2020 11:08 AM
193	Everything was great this summer, although it seemed that nothing was actually done to enforce social distancing and the beach was at least as crowded as it's been in years past,	9/16/2020 10:59 AM

which was surprising given that there were going to be limits of the number of people on the beach at one time.

197	Excellent	9/16/2020 10:40 AM
198	Good, it was much better with the reduced crowd - except it would be nice in the no smoking and no loud music was enforced.	9/16/2020 10:34 AM
199	Ok. Understand due to drought no showers, but this is part of a perk to having a locker.	9/16/2020 10:34 AM
200	Due to Caronavirus we only used the beach a few times all summer. Very disappointing, but that's the times we are living in:(	9/16/2020 10:29 AM
201	Better than expected as the crowds were smaller.	9/16/2020 10:22 AM
202	Lovely!	9/16/2020 10:21 AM
203	Found it hard to use/ gate locked at 8 am, After hours restricted We should encourage off hour useage For those who want to encounter fewer people	9/16/2020 10:20 AM
204	We always had a spot to park so thank you for that!	9/16/2020 10:10 AM
205	Too many people from out of town have started going to the beach. It was always a lot more local when I was growing up and it's a shame that so many people leave their trash all over the place, despite available receptacles.	9/16/2020 10:10 AM
206	Very good.	9/16/2020 10:10 AM
207	A little strange this year. I feel that in general people did socially distance and wear masks. It was great to be able to use the beach. The people at the gates could have done a better job with their masks as people approached	9/16/2020 10:09 AM
208	Overall good experience; appreciated the focus on residents/taxpayers, cleanliness of facilities, friendly and helpful staff.	9/16/2020 10:04 AM
209	Been going to Narr Beach for 5 years now. This year was beyond disappointing. EXTREME overcrowding, HUGE groups of youths, music, drinking, weed...got hit with balls numerous times. Saw beach patrol drive by groups but never say anything to those violating the rules. Liked the 'residence parking only', appreciate that, but didn't stop the large crowds getting dropped off or parking along town. Saw groups walking right past entrance without showing their badges or paying. I mostly parked in North Parking Lot. I had high hopes the beach administration would be on top of crowd control and was definitely disappointed. I don't want to go to this beautiful beach and listen to 3 different genres of music playing and keep having to move my seat because I'm getting hit by all the ball playing. Worst beach experience ever. I did not complain during the season,I'm actually not a complainer and realize teenagers have a right to have their fun, but not while they are ruining the safety and experience of others. I waited to get my questionnaire to share my thoughts. One other thing, it's very difficult to have teenagers monitoring their peers, that's just not going to be successful, adults are needed. Will rethink next years season pass. Might be looking for a new beach. On a positive note, always helpful and friendly at the office. Thanks for opportunity to share my thoughts. I'm confident I'm not alone in my thinking and I hope some steps can be used to improve next years beach experience.	9/16/2020 10:00 AM
210	Great - and also loved the no parking pass sales at south lot. Still think the cabana's are a bargain and price should be increased. FYI never used the restroom. But entered acceptable because survey did not allow skipped answers.	9/16/2020 9:54 AM
211	I felt that the beach wasn't over crowded this year. Many past years I would attempt to go and found it way overcrowded	9/16/2020 9:48 AM
212	It's my favorite place on Earth However- it was far too crowded this year I would like to see more restrictions going forward and support the increase in daily admission. I would also like to see the west lot remain only for employees. Daily admission should be capped at a much smaller number than whatever it was this summer.	9/16/2020 9:45 AM

246	Fine. Need someone on the gates earlier. Beach has a crowd at 7am, see it on the news every morning. And limit sales to walk one. Beach is too crowded.	9/16/2020 7:06 AM
247	It was heaven on earth & provided a much needed opportunity to walk, swim & read almost daily, during the week. I avoided it on the weekend due to crowds	9/16/2020 7:06 AM
248	Excellent	9/16/2020 6:56 AM
249	It was good.	9/16/2020 6:55 AM
250	ok, wish the beach lots would open at 8am, so we can have a few extra minutes on the beach like those who park on the street and get in without paying	9/16/2020 6:54 AM
251	Excellent. I always felt safe!!	9/16/2020 6:52 AM
252	good but thought still too crowed with covid issues . Many people not following rules . Girl lifeguards rude	9/16/2020 6:50 AM
253	Great experience	9/16/2020 6:43 AM
254	Good, social distancing on the beach was mostly good	9/16/2020 6:42 AM
255	Good. Would like the beach open earlier- at least 8 am. Please keep the parking restrictions	9/16/2020 6:37 AM
256	Great	9/16/2020 6:29 AM
257	Stressful	9/16/2020 6:17 AM
258	Once management got the teenager groups under control, the beach was in better order. The teens had no regard for the beach when it came to their trash. Thank God, the lifeguards got their whistles under control. Between the mock rescues and the over abundance of caution for the patrons, their blowing of the whistles upset the calm, fun aura of the beach.	9/16/2020 6:09 AM
259	Mostly good COVID limited the times I was able to attend	9/16/2020 6:04 AM
260	Was disappointed to not be able to use the foot showers to rinse off, for most of the season	9/16/2020 5:49 AM
261	love NTB. There should be more restrictions to non resident sales. All parking lots should be for residents and staff only. Handicap parking should be paid closer attention to due to abuse mostly by out of state autos	9/16/2020 5:44 AM
262	Good. On a few occasions, large unmasked groups not socially distancing. One frequent morning group especially.	9/16/2020 5:02 AM
263	Good	9/16/2020 4:54 AM
264	Excellent	9/16/2020 4:46 AM
265	I'd like to take this opportunity to make a suggestion. As a mom and a surfer of 20+ years at on NTB, I believe the signage on the south end needs to be improved. While there is a sign at the south entrance that says 'surf and skim board only' it does NOT say 'no swimming'. Families that come to the beach that are unfamiliar with the separation of the beach arrive at the south end, set up for the day, and then the lifeguards have to spend the whole day whistling kids out of the water. We locals have compassion for these families, when we see this happening, we alert the family who always thanks us for telling them. It would be a GREAT COURTESY TO ALL if the signage was improved and the lot attendant also told daily pass purchasers the policy. Less work and stress for the lifeguards, less frustrated family patrons :-)	9/16/2020 1:21 AM
266	Not good. I am almost 80 and I have 8 grandchildren.I have been home owner for the past 19 years. When My sons and their family come to visit and want to go to the beach the parking is terrible. The current parking policy tells them that they are not welcome to Narragansett beach and we (narragansett) do not want you here. Parking permits should be available to our Immediate family.	9/15/2020 11:45 PM
267	I still dont understand why we cant have access to the north lot when I see all these out of state cars in the lot. I support and use many local businesses during the year and they are here for how long?	9/15/2020 11:23 PM

## 2020 Narragansett Beach Survey

268	awesome	9/15/2020 11:20 PM
269	Great	9/15/2020 11:15 PM
270	Love Narragansett beach!	9/15/2020 11:11 PM
271	Great	9/15/2020 11:09 PM
272	It was better later in the summer, but earlier the issues with too many teenagers near Chair Six went on too long and staff seemed unable to handle it. Later on, policies were made that helped to control the situation somewhat but not consistently. The underage drinking, large amounts of trash left on the beach, loud music and vulgar language made the beginning of the summer not only unpleasant, but dangerous.	9/15/2020 11:00 PM
273	Excellent. However I did see many people ignoring the "wear masks while in the pavilions" rule. This made me uncomfortable.	9/15/2020 10:53 PM
274	Great except for the fact that people were going blanket to blanket looking for people drinking alcohol. My son (Age 25) was accused of drinking alcohol by staff and he was drinking a can of SODA. Terrible to accuse people when they're doing nothing wrong.... yet there were people smoking pot on the beach and no staff seemed to notice that.	9/15/2020 10:42 PM
275	Very good. The young people were extremely friendly, but the older guys were kind of dismissive, never returned a wave or nod, acted like they didn't see you.	9/15/2020 10:38 PM
276	Excellent	9/15/2020 10:33 PM
277	Great	9/15/2020 10:20 PM
278	Overall very positive, wish there was more security around smokers, alcohol use, and loud radios. I liked that the teenagers and ball playing were in restricted areas away from young families.	9/15/2020 10:17 PM
279	Great!	9/15/2020 10:16 PM
280	Excellent	9/15/2020 10:15 PM
281	I would have to say we were treated unfairly when we reached out to beach officials regarding employees not wearing masks. In the 10 years we've lived in this town we've never had a problem and this year when we did we contacted the Director of Parks and Recs and nothing was addressed about employees not wearing masks and instead we were the ones treated as though we weren't law abiding citizens	9/15/2020 10:13 PM
282	I love Narragansett Town beach. Summer, Winter, Fall and Spring. It's why we retired in Narragansett.	9/15/2020 10:13 PM
283	Great	9/15/2020 10:10 PM
284	I think the parking should always be restricted to taxpayers. This was the most hassle free year ever. You guys did a great job!!!!	9/15/2020 10:02 PM
285	Very good	9/15/2020 10:00 PM
286	Great, the beach seems to be run very well!	9/15/2020 9:58 PM
287	Loved the fact that it was restricted to resident/taxpayer. Kudos to Michele for a great job!!!	9/15/2020 9:58 PM
288	It was great.	9/15/2020 9:51 PM
289	As a non resident locker leasee, I enjoyed going to the beach knowing I would have a parking space no matter what time I arrived.	9/15/2020 9:51 PM
290	Read above.	9/15/2020 9:50 PM
291	Very good	9/15/2020 9:50 PM
292	Excellent!	9/15/2020 9:48 PM
293	VERY MUCH SO....EXCELLENT	9/15/2020 9:48 PM
294	no issues. It is a beautiful beach. Not having to leave your card for the lockers was more convenient - would like to see that continue after covid is long gone	9/15/2020 9:45 PM

## 2020 Narragansett Beach Survey

295	Good	9/15/2020 9:43 PM
296	Very crowded, not as enjoyable as it once was	9/15/2020 9:42 PM
297	Great!	9/15/2020 9:42 PM
298	Good...too crowded at times	9/15/2020 9:39 PM
299	The fact that the parking lots were strictly for Narragansett residents was the best thing that could have happened this summer.	9/15/2020 9:37 PM
300	Good	9/15/2020 9:33 PM
301	Excellent	9/15/2020 9:30 PM
302	It was a wonderful summer made this great because of Steve ...we are so lucky to have him!	9/15/2020 9:27 PM
303	A-ok	9/15/2020 9:26 PM
304	It was really good, access to beach was easy and good, so glad to have resident access.	9/15/2020 9:25 PM
305	CSO staff were very aggressive towards younger kids ( I was with my 14 year old and witnessed it first hand) but not towards older kids misbehaving	9/15/2020 9:24 PM
306	I feel that the parking on the streets within a half mile of the beach is too busy and should be time restricted to greater degree.	9/15/2020 9:22 PM
307	Great!!	9/15/2020 9:22 PM
308	Very good	9/15/2020 9:22 PM
309	As pleasant & relaxing as every other summer. Thanks to the staff for working so hard to keep all beach goers safe!	9/15/2020 9:20 PM
310	It was good. So happy it was open. Security seemed lacking at the beginning of the season but improved as summer went on.	9/15/2020 9:18 PM
311	Great	9/15/2020 9:16 PM
312	Although we did not go to the beach this year, from hearing of friends and residents who did attend, they told us at times it was very crowded. We believe the beach should open at 7:30AM. We live close by and walk down to the beach around 7:00 and there are many people already on the beach and parking is full on Ocean Rd. If we don't open early we are losing a lot of revenue!	9/15/2020 9:12 PM
313	My favorite beach. Also, for #7. I never used the restrooms at all. I can't answer that question.	9/15/2020 9:12 PM
314	Excellent. We loved that we did not have to get to the beach by 10:30 to get a parking space. the beach was so less crowded and much more enjoyable.	9/15/2020 9:07 PM
315	Great beach. Great life guards. Friendly staff	9/15/2020 9:06 PM
316	great year	9/15/2020 9:03 PM
317	We were disappointed that the goal to limit the number of people on the beach was quickly abandoned. Too many loud speaker announcements, especially in evening. Overall always happy to go, we go year round.	9/15/2020 9:01 PM
318	Excellent!	9/15/2020 8:59 PM
319	Very good except at the very beginning of the season. when there were to many young people wondering around and in large groups.	9/15/2020 8:54 PM
320	Better after 5pm	9/15/2020 8:53 PM
321	Excellent	9/15/2020 8:52 PM
322	Awesome. I wish we could extend the season and keep dogs off the beach until October.	9/15/2020 8:50 PM
323	I enjoyed it. I do think we should have one lot available to visitors. There were times our lots had plenty of Parking and the streets were filled. I do think Narragansett handled the beach as best as they could during this crisis. There could have been better crowd control on the North side of the beach.	9/15/2020 8:47 PM

## 2020 Narragansett Beach Survey

324	Very happy	9/15/2020 8:46 PM
325	Wish it were less crowded with fewer day visitors	9/15/2020 8:46 PM
326	I love it!	9/15/2020 8:45 PM
327	I love Narragansett Beach and restricting them parking passes to Town Residents made the beach less crowded. I think the parking lot across the street should be available to non resident for a few.	9/15/2020 8:42 PM
328	Fabulous.	9/15/2020 8:40 PM
329	Observed LOTS more trash on the beach by late afternoon most days I was there. Glad to see it was cleaned up by morning but it was filthy for several hours at night when many people still enjoy being at the beach til dusk	9/15/2020 8:40 PM
330	Better than expected due to Covid-19	9/15/2020 8:40 PM
331	Excellent. The more you do for the residents the better. You should definitely increase the prices for non-full time residents.	9/15/2020 8:39 PM
332	The beach experience was very nice. One issue consistently comes up every year is that sometimes the lockers close earlier then the scheduled time and we are left with the contents of our locker to put in our car. It seems that even if it is a bit cloudy the lockers should stay open as posted. Or they close before 7pm because they want to end the day early.	9/15/2020 8:38 PM
333	It was great. I think folks walking in for a fee is fine. Bud it was so much less stressful to go to the beach at any tome and find a parking spot.	9/15/2020 8:38 PM
334	Excellent.	9/15/2020 8:38 PM
335	It was great !	9/15/2020 8:32 PM
336	Sometimes cars & people make too much noise after 10:00 pm in the parking lot	9/15/2020 8:32 PM
337	Good	9/15/2020 8:29 PM
338	excellent	9/15/2020 8:28 PM
339	After 5 , the beach fills with some unruly patrons , smoking and alcohol consumption on a daily basis. Also you should not allow speakers with loud music ..it's usually not a great choice for families and the large tents should only be allowed behind the lifeguard chairs, they are ruining the water views for everyone else. Umbrellas only in front of the guard chairs.	9/15/2020 8:27 PM
340	Really good	9/15/2020 8:25 PM
341	Great, the staff does a remarkable job.	9/15/2020 8:21 PM
342	Love Our Beach! It is a very special place	9/15/2020 8:19 PM
343	Very good	9/15/2020 8:18 PM
344	Great I loved resident only parking north and south lot	9/15/2020 8:18 PM
345	Always great	9/15/2020 8:17 PM
346	Very good. Sometimes still too crowded. Especially during high tide which appeared to be problematic.	9/15/2020 8:17 PM
347	All positive	9/15/2020 8:16 PM
348	Overall NTB staff did an excellent job during a very difficult season - thank you! However, probably half the times I visited the beach this summer, staff checking passes at the beach entrances were letting people on the beach without masks. This should've been much more strictly enforced because the beach entrances are very congested. Re: Question 11, I do not support limiting parking to residents between 5pm-8pm post-COVID. I understand and agree with NTB's reasoning for restricting parking this year, and would support continuing this policy until social distancing is no longer needed. Without COVID, there is typically an adequate supply of parking after 5pm, especially in the North lot.	9/15/2020 8:15 PM
349	Bethany I expected, giving the pandemic	9/15/2020 8:14 PM

## 2020 Narragansett Beach Survey

350	I always enjoy going to the town beach.	9/15/2020 8:11 PM
351	Ok	9/15/2020 8:11 PM
352	Excellent but I would have required staff at gates to wear masks consistently and would have required people to wear masks when entering. There was a large group of people (at least 12) blocking entrance because they were getting day passes. None of them had masks. When I inquired to staff, I was told that the patrons only needed them on the pavilion.	9/15/2020 8:11 PM
353	I liked the parking restrictions. Once the town got the people parking illegally under control the beach was less crowded.	9/15/2020 8:11 PM
354	Fabulous.....After the problem with the kids who were drinking, swearing ☹, playing ball, and not Social Distancing was addressed and solved very nicely! THANKS!	9/15/2020 8:07 PM
355	Excellent.	9/15/2020 8:07 PM
356	excellent	9/15/2020 8:07 PM
357	I request this every year, but the powers that be can't seem to make a simply change. And it really is very simple. When entering the north and/or south parking lots, even though there is a sign on the street that says Parking Passes Only - non-residents still pull into the lots and ask where they can park. This delays access to the residents who have paid for their passes. It creates a backup of cars and traffic onto the road and median which is very dangerous. I have requested that if a non-resident pulls into the north/south lot asking for directions, can the attendant just ask the driver to pull around to the other side of the booth to assist them so that the paying residents behind them can get in and find a parking space. There are often 2 attendants in the booth so one can assist the non-resident with help for parking and the other attendant can wave residents on. Simple right?! Why can't it be done? Since there really is no logical reason why it can't be done, I have to assume that it's just plain laziness on the part of the attendants and lack of courtesy on the part of management. And maybe laziness on management for not willing to train their attendants on how to do something so simple. Poor leadership.	9/15/2020 8:06 PM
358	Very good	9/15/2020 8:03 PM
359	All things considered we thoroughly enjoyed the beach.	9/15/2020 8:03 PM
360	Please, please, please keep parking like 2020 season. It was a pleasure knowing that at almost anytime I arrived there was a space to park. Please limit number of transferable passes to be purchased to 5 like this year. Use a sliding scale for pricing. First 2 \$50.00 ea, third \$75.00 and last 2 \$125.00 ea. Definitely increase daily pass prices to weekday \$12.00 & weekend \$15.00 Start lifeguards and daily pass sales at 7:30 am on Friday, Saturday & Sundays to gain lost revenue from the cheaters who come before beach opens.	9/15/2020 8:03 PM
361	Very awesome experience every time I went in the beach	9/15/2020 8:03 PM
362	as always, wonderful	9/15/2020 8:02 PM
363	ok	9/15/2020 8:02 PM
364	Positive - except for the restrictions placed on non-residents with parking passes. It would be nice to have the option to park in either lot & to reinstate the issuing of one Non resident parking pass for the North Pavilion lockers. Thank you.	9/15/2020 8:01 PM
365	Good	9/15/2020 8:00 PM
366	good	9/15/2020 8:00 PM
367	Excellent!	9/15/2020 7:59 PM
368	Good	9/15/2020 7:56 PM
369	I thought everyone did a great job of social distancing - limiting people on the beaches seemed to help	9/15/2020 7:52 PM
370	Too crowded on weekends but otherwise it was great.	9/15/2020 7:51 PM
371	Best year ever!!	9/15/2020 7:49 PM
372	Very good	9/15/2020 7:48 PM

## 2020 Narragansett Beach Survey

373	Overall good. Staff did not always wear a mask or wear one correctly. Also there were often groups of young girls without masks in the restroom	9/15/2020 7:48 PM
374	Very good	9/15/2020 7:47 PM
375	At the beginning of the season the beach was overrun with high school /college students. They were drinking, vaping and smoking on the beach. It took a long time for NTB and Narr police to get a handle on this. After that the beach experience was great. I appreciate the hard work of all employees.	9/15/2020 7:44 PM
376	Great!	9/15/2020 7:44 PM
377	I liked the parking lot restrictions in the evenings, definitely felt more controlled. Movie Nights were awesome and much more enjoyable! Everyone who was there was there to watch the movie and have a peaceful time. We were so grateful to have the beach this summer.	9/15/2020 7:43 PM
378	Excellent! Would recommend to restrict parking ALL THE TIME in future, much nicer, less crowded.	9/15/2020 7:42 PM
379	very good	9/15/2020 7:42 PM
380	Very good!	9/15/2020 7:41 PM
381	We love the town beach, and the staff does a great job. Our only issue was with stupid people who didn't follow the COVID-19 social distancing rules - which unfortunately probably required multiple people on the beach to enforce.	9/15/2020 7:39 PM
382	It was actually more enjoyable this year without fighting for parking spaces and also it was so much more enjoyable that people weren't packed on top of each other on the beach...	9/15/2020 7:38 PM
383	Loved that the parking was restricted. Was the worst experience in over 40 years with the limited number of times I could attend. As always lifeguards, beach staff, and security #1 !!!!	9/15/2020 7:38 PM
384	Overall, my experience was good. I think there should have been more mask wearing at the pavilion and the number of people in the bathrooms should have been limited. Sometimes it was too crowded.	9/15/2020 7:37 PM
385	Much better now that we can find parking.	9/15/2020 7:37 PM
386	Excellent	9/15/2020 7:35 PM
387	Wonderful	9/15/2020 7:32 PM
388	Dry clean. Most people were respectful of du Istanci g. With parking for those with passes on cars, most patrons seem to be residents and were most respectful of others at least near chair 1 and 2.parkingwith stickers was such a good idea. No lines backing up Into traffic	9/15/2020 7:31 PM
389	Good	9/15/2020 7:29 PM
390	Superb	9/15/2020 7:27 PM
391	Great beach And I love every minute I am on it - as for recommendations - it's hard to recommend as there are So many restrictions to those of us that are non residents. Sad but true.	9/15/2020 7:27 PM
392	Great, except for the large amount of teenage kids playing with balls, etc who had no respect for other beach patrons.	9/15/2020 7:26 PM
393	The best!	9/15/2020 7:25 PM
394	Please don't increase the price next year for residents!!!	9/15/2020 7:21 PM
395	Good.	9/15/2020 7:20 PM
396	It was ok but I would like less tourists and my old beach back. It has become such a different place that it's not as fun anymore. The crowding makes me stay away when I'm a resident and that's why i moved here.	9/15/2020 7:19 PM
397	Excellent	9/15/2020 7:16 PM
398	Very good	9/15/2020 7:16 PM

## 2020 Narragansett Beach Survey

399	Overall, good. I think restrooms should be left open for the month of September. I disagree that the lots should be resident only at any time. Nonresidents with lockers pay a lot for those and I feel strongly that those passes should be honored at all times as well.	9/15/2020 7:15 PM
400	Very good	9/15/2020 7:07 PM
401	We only went to the beach twice this summer, but as always, it was wonderful	9/15/2020 7:07 PM
402	Great	9/15/2020 7:02 PM
403	Need much better control of people required to wear masks.	9/15/2020 7:02 PM
404	Excellent	9/15/2020 6:59 PM
405	Considering the circumstances I thought the entire staff didn't excellent job of maintaining the safety for everyone and moreover a great experience for Town residents.	9/15/2020 6:57 PM
406	I think with the pandemic everyone did a great job. We did like parking for residents 5-8 pm, especially on the nights that there was music,(Monday and Fridays) , last year we had trouble parking sometimes.	9/15/2020 6:57 PM
407	Fine	9/15/2020 6:54 PM
408	Would like to see the 5-8 continue.	9/15/2020 6:54 PM
409	Good	9/15/2020 6:53 PM
410	Great!	9/15/2020 6:52 PM
411	Great!! I really liked that this year the north and south lots were resident parking only. In years prior you had to get to the beach before 10am/11am or else there was a strong chance there wouldn't be parking esp. on the weekends! This resident only parking made it more flexible with my schedule to make it to the beach whenever I could without much worry of parking lots being full.	9/15/2020 6:51 PM
412	Considering the pandemic, things went smoothly. One item to bring to your attention: Chair 5 lifeguards. They were witness to beach behavior such as ball throwing and did not whistle to stop patrons.	9/15/2020 6:51 PM
413	Overall good... I wish non- resident locker holders could also park in the North lot...	9/15/2020 6:47 PM
414	Always pleasant gate staff!	9/15/2020 6:42 PM
415	Excellent really enjoyed the fact that the parking was for residents only	9/15/2020 6:41 PM
416	These lots should be for residents only. The number of non-resident bracelets should be limited. There should be a capacity limit on the town beaches.	9/15/2020 6:41 PM
417	Generally good. At beginning of season lifeguards were masked and separated. By end, no masks, no separation, chatting, paying little attention to beach goers.	9/15/2020 6:37 PM
418	Ok once the kids went to the north area beyond the cabanas you made me answer # 4 & 7 and did not use these services. # 10 why would I recommend the town beach--for more people to be on the beach - duh # 6 not until the "kids" area got clean finally	9/15/2020 6:37 PM
419	Excellent	9/15/2020 6:35 PM
420	Good	9/15/2020 6:35 PM
421	We are grateful to be able to spend time at Narragansett Beach. It was a wonderful summer there despite Covid.	9/15/2020 6:33 PM
422	Very pleasant summer at the beach. Loved resident only parking in the lots. Patrons followed social distancing for the most part. Offenders seemed oblivious to covid rules and only interested in themselves.	9/15/2020 6:33 PM
423	fine kids at north pavilion entrance didn't always wear masks properly at the beginning Then, improved	9/15/2020 6:32 PM
424	Excellent...having no day parking was terrific.	9/15/2020 6:31 PM
425	Perfect	9/15/2020 6:31 PM

## 2020 Narragansett Beach Survey

426	Excellent particularly given the circumstances. Fantastic job.	9/15/2020 6:31 PM
427	Pleasant. Helped to make a difficult time, enjoyable. Getting out to get fresh air was a big plus.	9/15/2020 6:28 PM
428	Under stressful conditions, a good job was well done	9/15/2020 6:28 PM
429	Always the best relaxation spot! Love my NTB	9/15/2020 6:27 PM
430	The town beach is a place that I enjoy all year. My overall experience is very good.	9/15/2020 6:27 PM
431	best ever!!	9/15/2020 6:26 PM
432	Good Parking needs to be restricted to resident/taxpayer at all times. Would only recommend town beach to residents that pay taxes to Narragansett.	9/15/2020 6:23 PM
433	Good	9/15/2020 6:22 PM
434	Good	9/15/2020 6:20 PM
435	Ok. Wasn't bad, wasn't outstanding. The young staff, needs to be more attentive to their jobs and not each other.	9/15/2020 6:19 PM
436	Excellent	9/15/2020 6:18 PM
437	Workers didn't wear masks. Male adult workers especially	9/15/2020 6:18 PM
438	There is a real problem with enforcement of the no ball playing policy. Also too many kids congregating and left an unsafe feeling	9/15/2020 6:17 PM
439	Excellent. We totally approved of the decision to only allow the residents/taxpayers to use the parking lots. We always were able to park!!	9/15/2020 6:13 PM
440	Wonderful. Having the parking lots restricted to town residents was a huge benefit.	9/15/2020 6:13 PM
441	Good, but very crowded with non residents who have parking passes and North Pavillion lockers. That is not fair for taxpayers who cant get a locker.	9/15/2020 6:12 PM
442	As usual, it was expertly run.	9/15/2020 6:08 PM
443	Very good experience	9/15/2020 6:08 PM
444	Did not use beach very often because it was so crowded. 5:00 - 8: 00 was a little less crowded and easier to put blanket down and swim. Do not use Facebook or Twitter.	9/15/2020 6:07 PM
445	Good	9/15/2020 6:06 PM
446	Awesome as usual	9/15/2020 6:06 PM
447	The beach was the best it has been in years. There was safe spacing, and best of all....no hassle with parking. Having the north & south lots resident only was the single greatest factor in the ease and comfort and safety at the beach this year. The extra 5-8 lots for residents only allowed me to relax and enjoy the beach in the hours when it is usually to crazy in the south lot. The town was so crowded this year, that having the beach open and a safe place to visit only made me realize that this is exactly how the beach should be run!!!!	9/15/2020 6:03 PM
448	Didn't go to the beach.	9/15/2020 6:02 PM
449	Great experience this season	9/15/2020 5:57 PM
450	Loved it!	9/15/2020 5:55 PM
451	good	9/15/2020 5:54 PM
452	It was a good summer. I thought that the beach staff were responsive but the security was less supportive. They did not seem to know the beach rules Suggestions. No non facility holders on the cabana platform. Teens using it as a cut through. No day passes fri sat sun monday. No none facility holders cabana area to shore Attendant dedicated to cabana as is in north pavilion. I think that beach staff are different than security staff in their knowledge of beach rules. No entry for day passes in cabana area	9/15/2020 5:54 PM
453	Excellent	9/15/2020 5:52 PM
454	Good. However, Bags and coolers are not checked. Still lots of alcohol brought onto the beach.	9/15/2020 5:50 PM

## 2020 Narragansett Beach Survey

455	Great	9/15/2020 5:50 PM
456	no problems	9/15/2020 5:50 PM
457	Good but I find it absolutely insane that in the locker room showers there is no hot water !	9/15/2020 5:49 PM
458	Always great experience..lifeguards and other staff top notch	9/15/2020 5:46 PM
459	I wish/hope that the parking lots can be restricted in the future. In the past if you did not get to the beach by 10am on a weekend you often could not get into the lot. We went every weekend this summer. Loved it.	9/15/2020 5:45 PM
460	Great. Staff was very welcoming. Love being able to purchase guest passes. Thank you for running such a successful facility ☺	9/15/2020 5:44 PM
461	Loved the resident only parking and counting amount of people on beach at a time and the 6 feet distance.	9/15/2020 5:44 PM
462	Very good. Hopefully the social distancing aspect continues with most to respect others.	9/15/2020 5:43 PM
463	Extremely limited this year. It was too packed to safely visit.	9/15/2020 5:43 PM
464	Great. The restricted parking kept the numbers of people manageable for social distancing.	9/15/2020 5:42 PM
465	Great	9/15/2020 5:42 PM
466	☺	9/15/2020 5:42 PM
467	I liked that the parking was restricted until 8:00pm because I was able to park and swim after work.	9/15/2020 5:42 PM
468	Great	9/15/2020 5:42 PM
469	Excellent except cars without stickers should be waved on BEFORE bring allowed to enter the lot as it causes an unsafe back up on Rt. 1A	9/15/2020 5:41 PM
470	The 5-8 parking really didn't apply to me. The town beach experience was a good one this year with all the Covid restrictions. My overall experience was great. Excellent job to all who made it happen.	9/15/2020 5:41 PM
471	Very good	9/15/2020 5:41 PM
472	Excellent	9/15/2020 5:40 PM
473	Love the beach, but wish it was for residents only. Our beautiful beach gets so taken over by tourists that residents can't get in.	9/15/2020 5:39 PM
474	Excellent. Would also like to see cabana parking remain open thru Sept. for cabana holders only.	9/15/2020 5:38 PM
475	Good	9/15/2020 5:38 PM
476	It was overall-good. Crowding was still an issue. So many 20-somethings in huge groups, no masks, and getting too close to myself and my family. I got up and left on a few occasions and then just stopped going on the weekends.	9/15/2020 5:37 PM
477	Loved that I was able to have parking after work.	9/15/2020 5:36 PM
478	we were pleased with the facility and staff. it is always a good experience. i really don't like seeing dogs on the beach either running free or on a leash. we don't like stepping on liquid remains or solid waste. let the dogs go to a dog park and keep our treasure for people.	9/15/2020 5:35 PM
479	Good	9/15/2020 5:29 PM
480	I think that the lot should be opened to others a little bit earlier. Maybe 5:30.	9/15/2020 5:29 PM
481	Great but too crowded. Too many daily passes. Too many young adults with day passes especially early in the season when it was a bad situation especially near the condos.	9/15/2020 5:27 PM
482	very good but I am concerned my frank family will be priced out or squeezed out by restrictions that will be unnecessary in 2021.	9/15/2020 5:26 PM
483	Excellent. Love the small Monday concerts	9/15/2020 5:26 PM

## 2020 Narragansett Beach Survey

484	Excellent	9/15/2020 5:26 PM
485	It was a terrific experience. I think the restricting the lots to residents was excessive. If it is needed limit it to the North Lot.	9/15/2020 5:26 PM
486	Overly crowded. I much oppose non-resident use of the beach. I'd glad pay more to be able to enjoy the beach.	9/15/2020 5:25 PM
487	very good	9/15/2020 5:23 PM
488	Mostly uncomfortable due to overcrowding. I would walk past chair 6	9/15/2020 5:23 PM
489	☐	9/15/2020 5:22 PM
490	I had a great summer	9/15/2020 5:21 PM
491	Great!!	9/15/2020 5:20 PM
492	Ok. The beginning of the season was terrible. Once you guys got the teens under control it was much better. I live in Gansett year round-we love the restrictions on non tax payers. We were able to enjoy our beach way more. Not happy at all about the open time of 830-let's way too many free people on! PLEASE OPEN AT 7-7:30 and stop sales to non residents/walk ons. Let taxpayers buy walk on passes for their friends and families the days they go. Maybe have rule that you have to be with a tax payer to purchase a day pass. Much nicer beach with less people. Been here 20 years....it's changed so much! Way too over crowded! Please keep restrictions moving forward. We want our beach back! Thank you!	9/15/2020 5:20 PM
493	Excellent. It would help to have a family discount rate especially since we are taxpayers.	9/15/2020 5:18 PM
494	Very good. People respected distance. It was Appropriate to limit non residents because of Covid. Enjoyed less crowded conditions. Wish the mask mandate was enforced more strongly, however.	9/15/2020 5:18 PM
495	Very good experience. Happy to see everyone was adhering to the social distance protocol.	9/15/2020 5:17 PM
496	We love Narragansett beach and the fact that it is not open to just anyone like the state beaches	9/15/2020 5:14 PM
497	Great	9/15/2020 5:13 PM
498	Excellent	9/15/2020 5:13 PM
499	The communication needs to be stronger- emails are helpful but often times, they come with an hours notice (full of mistakes and typos). Perhaps a newsletter or calendar at the beginning of the week? I consult Twitter often and did find it helpful when the lots were filling up.	9/15/2020 5:12 PM
500	excellent	9/15/2020 5:12 PM
501	Great	9/15/2020 5:11 PM
502	Excellent as usual.	9/15/2020 5:10 PM
503	excellent	9/15/2020 5:10 PM
504	good but alot of people on beach that didnt pay because got there early	9/15/2020 5:09 PM
505	Very good	9/15/2020 5:09 PM
506	We walked the beach nearly every night. The trash was disgusting. If we got there too early, the crowds packed in at the South end made it difficult to walk and socially distance. The three beach visits we made were in the late afternoon. Minimal mask wearing and people packed in. I spent \$850.00 on passes this year and was extremely disappointed. Hoping for a better experience next season.	9/15/2020 5:07 PM
507	Fantastic	9/15/2020 5:05 PM
508	Excellent. In past summers I've had difficulty using my resident parking pass on weekends due to lots being full. This year I was able to come to the beach more often and enjoy it more because parking was available.	9/15/2020 5:04 PM
509	Loved it for 45 yrs but not this year!!! Please! Raise fees & limit day passes!! Extend resident season & days- limit non-resident!	9/15/2020 5:04 PM

## 2020 Narragansett Beach Survey

510	Ok though couldn't enjoy the beach that much this summer due to excessive crowding and virus. due to restrictions at state beaches I feel more people were getting dropped off. Weekends are too crazy for residents to enjoy with their families.	9/15/2020 5:03 PM
511	Fine and easy	9/15/2020 5:02 PM
512	GREAT	9/15/2020 5:02 PM
513	It is an important part of my "home".	9/15/2020 4:59 PM
514	Not as good as in past years. Very different crowd, lots of foul language, lack of masks, lack of social distancing.	9/15/2020 4:58 PM
515	Great.	9/15/2020 4:58 PM
516	Terrific	9/15/2020 4:55 PM
517	OK, but many people did not wear masks or did not do proper social distancing, especially when it was crowded. It was like no one really cared.	9/15/2020 4:53 PM
518	Excellent	9/15/2020 4:52 PM
519	Always wonderful at NB!	9/15/2020 4:52 PM
520	It was great and I liked that parking was for residents only! It was more enjoyable to not worry about having to find parking.	9/15/2020 4:51 PM
521	EXCELLENT	9/15/2020 4:51 PM
522	I was suprised that the beach was very crowded some days. Given the pandemic, I thought the beach would limit the number of folks on the beach. Most days, it was lovely and the beach population was manageable. I know this is not question, but I think the satellite parking lots should remain closed. Also, I think we should have attendants at the beach starting at 7:30. I live in the Pier and walk my dog early by the beach and am always surprised at how many people are racing to the beach before 8:30 am so they don't have to pay. By the time the beach opens, there can be 100-200 or more people on the beach.	9/15/2020 4:50 PM
523	Fine. Just an extremely odd year	9/15/2020 4:50 PM
524	Great	9/15/2020 4:49 PM
525	Amazing! Perfect summer!	9/15/2020 4:49 PM
526	great	9/15/2020 4:48 PM
527	Excellent	9/15/2020 4:48 PM
528	I am a longtime non resident locker holder and thought it was good that you did not allow paid parking in the south lot. Other years it was difficult to get a spot during the week. Maybe only open the west lot for paid. I was surprised how crowded the beach was considering no parking; clearly people found places to park, so again, only allowing paid in the west lot is better for residents and locker holders.	9/15/2020 4:47 PM
529	I speak with scores of residents and something needs to be done about the 100+ people who are parking on Ocean Rd. and walking in before the beach opens.	9/15/2020 4:47 PM
530	Best in the Northeast!	9/15/2020 4:44 PM
531	Good as usual	9/15/2020 4:44 PM
532	Comments re: no. 11. Suggest restricting parking from 7:30 am until 7:30 pm	9/15/2020 4:44 PM
533	Generally speaking my experience was good but as I have said before . Have a plan and enforce it .	9/15/2020 4:44 PM
534	I think the taxpayers should take back our beach and keep it restricted to town residents and those with passes purchased under the restrictions of 5 per resident	9/15/2020 4:42 PM
535	As in the past, a beautiful beach with excellent user services. So proud that this is my town beach. Even during this pandemic crisis, I felt safe at the beach. Social distance could be accomplished since visitors were limited (guest parking lot unavailable).	9/15/2020 4:42 PM

## 2020 Narragansett Beach Survey

536	Excellent. I used the beach more this year than the last 2 years I've lived here.	9/15/2020 4:41 PM
537	Very good.	9/15/2020 4:40 PM
538	Very good	9/15/2020 4:39 PM

540	Great	9/15/2020 4:39 PM
541	Our experience was great! Love this beach!	9/15/2020 4:38 PM
542	Excellent	9/15/2020 4:38 PM
543	I have felt over the last few years the crowds of non residents have taken over. Limiting the number of people on the beach should stay moving forward	9/15/2020 4:37 PM
544	Great time on a clean beach, Michelle does a great job!	9/15/2020 4:37 PM
545	A great experience, staff is great. I'd like to see the reduction of early-morning free-riders by staffing the gates earlier in the morning. I estimate that there were frequently at least 100 persons on the beach as early as 7:00 AM. We could collect perhaps an additional \$1,000 per day.	9/15/2020 4:36 PM
546	I strongly feel the beach should be a residents only beach. Or at least all parking lots should be residents only (like this year) and limit the available spots for on street parking more to discourage non residents from using the beach. I have a locker in North Pavilion and would gladly pay more than the \$750 for the beach to be residents only. Perhaps an increase in pass price, lockers and cabanas could off set money lost if only residents were allowed.	9/15/2020 4:36 PM
547	Staff went above and beyond and took all sorts of undeserved criticism in very difficult and unprecedented times! I do feel the cabana owners should not also own that area of the beach. I also feel they need to have term limits on cabanas	9/15/2020 4:36 PM
548	Great	9/15/2020 4:34 PM
549	Very good. Could always get parking	9/15/2020 4:34 PM
550	Yes, Very much so. Made entering every day easier	9/15/2020 4:34 PM
551	In a year with a lot of uncertainties it was wonderful to have the Town Beach. As resident, I tended to come later in the afternoon to avoid large crowds but appreciate everything the staff did to make the season great! Thank you!	9/15/2020 4:34 PM
552	Good. Having parking ensured made it so much easier! In the past, when we work during the week and can only get there on the weekend, it was so frustrating not to be able to go because lots full. It was disappointing, however, in the beginning and end of summer to see so many teenagers in such large groups making such a scene. Staff did their best, just hard to manage large groups.	9/15/2020 4:32 PM
553	overall good. Lots of large groups of unmasked teenagers. Not good. During Covid we believe you should have a mask to be allowed by the attendants.	9/15/2020 4:32 PM
554	The mask protocol was not enforced. At times there were too many people on the beach	9/15/2020 4:31 PM
555	The beginning of the season I was ready to leave as the beach was over crowded with clusters of teenagers who did not wear masks and DEFINITELY did not care about social distancing. I was glad to see they were mostly gone by July.	9/15/2020 4:31 PM
556	very good	9/15/2020 4:31 PM
557	This year was a wonderful year on the beach. Parking was excellent and the workers were great.	9/15/2020 4:31 PM
558	Loving where we live, and NTB only enhanced that feeling! Keep it for the residents but available to all!	9/15/2020 4:30 PM
559	Very good, although the beach seemed a bit too crowded for Covid. Also, there are plenty of parking spaces after 5pm and there's no need to limit just to residents. It isn't welcoming.	9/15/2020 4:30 PM
560	very good. Masks could have been required to enter, as we had to pass within 6' of the staff. The area near the stairs on the south entrance was congested with both foot traffic and people	9/15/2020 4:29 PM

settling down close to the stairs. The area near the stairs could have been left bare like that around the lifeguard stations.

563	Wonderful.	9/15/2020 4:27 PM
564	Hope we have parking access all winter since a lot of us are old as nd just want to sit and watch the waves.	9/15/2020 4:27 PM

566	It was a 10	9/15/2020 4:25 PM
567	Excellent	9/15/2020 4:24 PM
568	Our family enjoyed the beautiful summer at the Town Beach.	9/15/2020 4:24 PM
569	Great. One of our biggest problems was the super aggressive seagulls at uncrowded times! Pulling food out of people's unattended bags and out of their hands.	9/15/2020 4:23 PM
570	Positive	9/15/2020 4:23 PM
571	very nice	9/15/2020 4:22 PM
572	After the first few visits going through the South pavilion I realized not everyone was wearing masks, staff included. Wearing masks on your chin is. It acceptable. Therefore, I cleaned out my locker and went on the beach from a parking lot entrance. I feel that the younger people were not nearly as vigilant as they should have been. It made me and my husband quite concerned.	9/15/2020 4:22 PM
573	Positive	9/15/2020 4:22 PM
574	the same as years passed	9/15/2020 4:21 PM
575	Very enjoyable. The crew did a great job this year.	9/15/2020 4:21 PM
576	A slice of heaven. So grateful for it.	9/15/2020 4:21 PM
577	Wonderful. I only have one suggestion: people without tags should not be allowed to hold up residents trying to get into the parking lot. There were too many times when I was behind someone trying to get into the lot without a sticker. The attendant should just make them turn around without a lot of explanations. Holding up the line for someone who can't get in should not be tolerated.	9/15/2020 4:19 PM
578	We have been going to Narragansett beach for over 30 years. The facilities and staff are always great. One big problem is the teen groups hanging around the cabana area & just north of there. You need more police presence. Two other big issue are on street parking needs to be further restricted and patrolled. We live with walking distance and the roads are dangerously packed sometimes from 6 am on. This leads to the problem of unsupervised and unpaid entrance to the beach, a massive loss of revenue that would easily pay for more staff at an earlier start time along with limiting overcrowding. There should be a two hour time limit during beach season for on street parking within walking distance of the beach. Additionally later in the day (6pm & beyond) I have witnessed dogs on the beach and people openly smoking pot in front of the "security patrol". In summary the beach staff is doing a great job, but you need more support and enforcement from the town and police.	9/15/2020 4:18 PM
579	The beach has become an enterprise as evidenced by the reference in this survey to "customers." I'm a 40 year resident not a customer. It needs to go back to being a Town beach/family beach and not an enterprise. Far too overcrowded, a better plan is needed to control the problem or it's going to continue to get worse. Too much underage drinking with very lax enforcement. Far too many large groups of out of town teenagers. In 40 years I never called the police about a problem but this season I had made at least 4 calls for large groups of underage drinkers.	9/15/2020 4:17 PM
580	Love the town beach and staff. It's just time to restrict or charge more to deter the non residents from attending. Also, you need to do a better job policing the weed smoking and alcohol abuse on the beach. I work hard all week and want to go to my local beach to relax	9/15/2020 4:17 PM

## 2020 Narragansett Beach Survey

with my family. Not dodge footballs being thrown or drug and alcohol abuse by people who shouldn't be at the local town beach in the first place.

581	Excellent!!!	9/15/2020 4:17 PM
582	Better	9/15/2020 4:16 PM
583	It was a VERY tough year for the staff at NTB-i am sure everyone did their best in this strange situation. NTB has been my solace for over 50 years- grateful to be able to go. We need to do a few things better like maybe a sign that says no swimming this end at the surfers end- the sign says surfing and skimboards only but does not spell it out for people- many near crashes between surfers and swimmers	9/15/2020 4:16 PM
584	Frightening because it was so crowded.	9/15/2020 4:15 PM
585	I liked the longer resident hrs for the parking lot. This made it possible for me to enjoy at least some time at the beach in spite of the midday crowds (when I did not go). Please keep those early and late hrs next year. It was nice to not have as many tailgaters (nonresidents) taking up multiple spaces in the 5 pm time frame.	9/15/2020 4:14 PM
586	Yes. I won't recommend because it's over marketed already.	9/15/2020 4:14 PM
587	Good 2 suggestions though: Let people swim in surfer area when dead flat. Limit radio playing if possible	9/15/2020 4:14 PM
588	My favorite beach	9/15/2020 4:14 PM
589	I have been a non-resident south pavilion renter for over 30 years. I would be very upset if you did not continue to provide a parking pass with my locker. I have had my locker since no one wanted them and it was as easy as going to the managers office and asking for one and paying for it. But I did like not having to compete for parking with daily people. I also think that is why the beach ran so smoothly this year. You all deserve a round of applause because I am sure it was difficult to plan, but the execution was excellent!	9/15/2020 4:13 PM
590	The staff did not enforce mask-wearing at the entrances. I did not always feel safe at the beach for this reason.	9/15/2020 4:13 PM
591	I found it very crowded sometimes and avoided going on certain days (weekends) and at certain hours (avoided 8am-3pm). Too many teens and college aged kids were walking around without masks in large groups, not socially distancing. Too many teens/tweens without adult supervision. Also, lots of radio's were played at loud levels (from adults and kids alike). Sadly, surfing at the town beach was out of the question for my family this year - waaay too crowded at any time of day. This is our favorite family activity. Hopefully crowds ease up as the weather cools down.	9/15/2020 4:12 PM
592	People from all communities should be allowed to utilize our beautiful beach during all hours of the day. Keep the North lot parking for residents only 7 days a week, the South lot for residents only on the weekends and holidays, and the west lot for non-residents 7 days a week.	9/15/2020 4:12 PM
593	Pretty good. We wish masks were enforced at the pavilions.	9/15/2020 4:11 PM
594	I did not go to the beach this summer. I think the town failed to enforce guidelines to keep the beach safe. Again, money superseded safety.	9/15/2020 4:11 PM
595	Very good	9/15/2020 4:09 PM
596	Very nice. Social distancing could have been better though but that is more of the public's responsibility I think and wished more people adhered to the rules	9/15/2020 4:09 PM
597	ok	9/15/2020 4:08 PM
598	The beach should consider requiring adult chaperones for teens under 18. Their behavior is getting more out of control. I felt terrible for the staff this year; the customers were exceptionally rude. Perhaps revoking beach privileges for extreme situations could be considered?	9/15/2020 4:07 PM
599	Ok, over crowding was a real issue, staff should have announced social distancing more frequently over the PA system. Staff not always wearing masks when on the deck area..nor asking people to behave or place masks on.	9/15/2020 4:05 PM

## 2020 Narragansett Beach Survey

600	great	9/15/2020 4:05 PM
601	Very good.	9/15/2020 4:04 PM
602	Wonderful! Clean beach and always clean bathrooms.	9/15/2020 4:04 PM
603	Had a wonderful summer. Can not wait for next season	9/15/2020 4:03 PM
604	We enjoyed the beach SO MUCH MORE this summer than previous Summers because it was less crowded and people sat a distance away on the sand at North pavilion.	9/15/2020 4:02 PM
605	Very positive	9/15/2020 4:02 PM
606	Wonderful.	9/15/2020 4:02 PM
607	Excellent	9/15/2020 4:02 PM
608	Parking was great but people were not control You could watch people give their pass to other ( guest pass ) to use People would distance their beach space but other would just come and not distance themselves Free Space Security staff spoke among themselves loud enough for others to hear speaking of their work dissatisfaction Lifeguards some followed rules for surfers and swimming some did not ! Some staff look at your badges other just sat there and smiled Related to virus Rules and regulations should have be enforced No mask, people pulled T-shirt's over their face Stairs/ walk ways ( like grocery stores ) Needed to be marked, then maybe better chance of people following Believe it or not many people do not use Facebook or twitter	9/15/2020 4:02 PM
609	Could have been better but these are not normal times and we will always be back next summer because it's the best beach in the world.	9/15/2020 4:00 PM
610	Excellent	9/15/2020 4:00 PM
611	Fine	9/15/2020 3:59 PM
612	Excellent!	9/15/2020 3:59 PM
613	I felt the beach had a lot of non residents this year even with the lots not available to park in. Maybe we should parking meter stations for parking along the seawall. Why should they be able to park for free? And our town could make some revenue on parking	9/15/2020 3:58 PM
614	Very unpleasant experiences on numerous occasions throughout the summer with large crowds of teenagers on the beach. Witnessed large groups >25 not wearing masks, not social distancing, taking over large sections of the beach making it very uncomfortable for other people to enjoy beach. Witnessed frequently, on multiple days and nights, underage teenagers drinking alcohol sharing large open containers, playing beer pong on tables on the beach, smoking pot in plain site, sharing large vaping apparatus in plain site, loud profanity and open sexual behavior. Complaints were made to staff on multiple occasions by numerous adults, police called multiple times, these types of behavior continued all summer.	9/15/2020 3:58 PM
615	Great.	9/15/2020 3:58 PM
616	better then ever. less crowded, better parking	9/15/2020 3:58 PM
617	It was good as usual. I really think something needs to be done to discourage teenagers and young adults from congregating and drinking, BUT I don't think it's fair that they seem to be made to move further down the beach past chair 6, which I witnessed several times. That's technically age discrimination.They should be allowed to sit where ever they like, as long as they are respectful and follow the rules of the beach. I think a strong presence of adult beach personnel and/or Narragansett Police at the very beginning of the season will deter kids from mobbing the beach and drinking, smoking, playing loud music, etc.	9/15/2020 3:58 PM
618	Excellent, the managers, security and staff did a great job in what was a difficult season due to the pandemic.	9/15/2020 3:57 PM
619	Good, but it didn't seem like the virus restrictions were honored. Many people went to the beach early to avoid paying and not being allowed in.	9/15/2020 3:57 PM
620	We had a great summer at Narragansett Town Beach. I hope they don't raise the walk on rare to 15\$ though. That is really pricey if you have guests that you want to treat for a day at the beach.	9/15/2020 3:57 PM

## 2020 Narragansett Beach Survey

621	Excellent as always!!	9/15/2020 3:57 PM
622	Awesome thank you!	9/15/2020 3:57 PM
623	Very good. We liked having less people on the beach if it didn't have a significant financial impact to the town & services funded by the beach.	9/15/2020 3:56 PM
624	Excellent !!	9/15/2020 3:56 PM
625	Great when I was there.	9/15/2020 3:55 PM
626	Good, except the expectation that staff wear masks was not enforced.	9/15/2020 3:55 PM
627	another beautiful summer	9/15/2020 3:55 PM
628	Wonderful. It was nice with resident parking. We didn't have to hurry down early to get a spot	9/15/2020 3:53 PM
629	Definitely liked having the south lot open to residents only - finally - didn't have to wait for an open spot or park in the north lot. Also, great idea keeping lots open from 5-8 for residents only.	9/15/2020 3:53 PM
630	Good.....keep the resident parking restrictions.. please note that everyone is not on twitter or Facebook all the time.	9/15/2020 3:53 PM
631	I love this beach!	9/15/2020 3:50 PM
632	Great	9/15/2020 3:50 PM
633	Great	9/15/2020 3:50 PM
634	Excellent!	9/15/2020 3:48 PM
635	Great. I went a lot this year.	9/15/2020 3:48 PM
636	I loved that parking was just for car sticker passes only	9/15/2020 3:48 PM
637	Great	9/15/2020 3:48 PM
638	All in all, everything went well. Social media for Department is confusing. P&R page, Clubhouse page - all info could be on one, wasn't updated enough for movies/music. Lousy town website, can't find anything on that.	9/15/2020 3:46 PM
639	Great! Thank you all so much!	9/15/2020 3:44 PM
640	Normally it's a 10, but the nonresidents do ruin the atmosphere with the lack of respect.	9/15/2020 3:43 PM
641	The best in YEARS! The past few years has been so crowded that it was an anxious drive to the beach at 10am to see if we could get into the lot where our changing room is.	9/15/2020 3:43 PM
642	Disappointed in management/ supervisors. Reached out to notify about the condition of the rest room North Pavilion and never received a response. Bathrooms were not clean. Supervisions on pavilion without masks. Lifeguards sitting On lower level of chair next to each other without masks	9/15/2020 3:40 PM
643	I love the music on the beach on Mondays. I wish my out of town friends could join me on the beach after hours. The beach is very expensive and I don't always get a season pass. It's just not worth it for the number of times that I go. I think it's the nicest beach in the area, so that's why I did again this season. People not wearing masks as they walked around made me nervous. (Even tho we're outside.)	9/15/2020 3:40 PM
644	It would be nice if it were easier to get passes for my visiting guests and not have to go through the south pavilion on the day-of.	9/15/2020 3:39 PM
645	I found it less crowd because of the pandemic which I prefer. I think the beach patrol truck on the beach was unnecessary especially at high tide.	9/15/2020 3:39 PM
646	great	9/15/2020 3:38 PM
647	we love our beach experience... thank you to all that make it such a wonderful experience for my family and I	9/15/2020 3:38 PM
648	Excellent	9/15/2020 3:38 PM

## 2020 Narragansett Beach Survey

649	excellent although I did not use any food services	9/15/2020 3:38 PM
650	We love gansett beach	9/15/2020 3:37 PM
651	Great as always. Crowds were there but what would expect after the spring we had.	9/15/2020 3:37 PM
652	Selling too many passes to people who didn't park in the parking lot made for a full beach most weekends. During this time of COVID it was hard to enjoy the beach safely.	9/15/2020 3:37 PM
653	Excellent	9/15/2020 3:37 PM
654	It was less stressful because I didn't worry about getting to the beach to get a parking space. I hope it stays the same next year.	9/15/2020 3:37 PM
655	On days when its not overcrowded - extraordinary!	9/15/2020 3:36 PM
656	Vert good	9/15/2020 3:36 PM
657	Great season, particularly in light of Covid. Restricting parking was great and should continue to benefit resident/taxpayers.	9/15/2020 3:35 PM
658	dogs running everywhere, arrogant dog owners, watched a child running barefoot where the dog just peed.	9/15/2020 3:35 PM
659	Was not able to experience it. The beach needs to open up earlier to charge all the people that sneak on before 830 which is unfair to the residents who PAY	9/15/2020 3:35 PM
660	Excellent	9/15/2020 3:34 PM
661	Great	9/15/2020 3:34 PM
662	great	9/15/2020 3:34 PM
663	My overall experience this summer was shocking. The town beach appeared to have an unsafe feel about it. While the parking lot was limited, it didn't stop those entering the beach who could park elsewhere. This was concerning as they were a crowd I felt unsafe around. I felt the Open drinking. Open vaping. Loud imposing music. Large gathering. As a person that sits at various chairs during the summer depending on we are doing, the bulk of the problems were at Chair 3, 2, and 1. This is the out-of-towners access points. I have been a local for 2 decades. It AMAZES me that non-residents are so outraged at the limitation Narragansett puts on non-residents. IT IS A TOWN BEACH. I would like more limitations on beach like max on daily fee payers, same or even more restrictive parking as Summer 2020. Daily price to pay should increase. We should utilize non-residents for revenue. They should greatly subsidized the expenses to maintain the beach. NTB this summer was a mess with non-residents grossly disrespecting rules. Changes are imperative.	9/15/2020 3:34 PM
664	Hard to really say due to the virus this year.	9/15/2020 3:34 PM
665	It was wonderful to have parking available to residents only!!! On the flip side, there were so many teenagers and 20-somethings throwing balls, drinking, smoking and playing music. No beach staff we're there to enforce the rules. That really prevents the residents from enjoying the beach. I'll give it a pass this year because of our unique situation. Overall, a big thank you for opening and offering a respite this summer.	9/15/2020 3:34 PM
666	Excellent great for residents	9/15/2020 3:32 PM
667	Awesome as always	9/15/2020 3:31 PM
668	Perfect	9/15/2020 3:30 PM
669	I would like to see less out of state cars in the parking lot. I did not understand why they were able to get beach passes.	9/15/2020 3:30 PM
670	First time as we just moved to Narr. Loved it	9/15/2020 3:30 PM
671	Amazing....keep the parking and new times this way	9/15/2020 3:30 PM
672	For the few times I was able to enjoy, my experience was very good.	9/15/2020 3:30 PM
673	I think they did a great job	9/15/2020 3:29 PM
674	Much better this year with the restrictions	9/15/2020 3:29 PM

677	Good given the circumstances.	9/15/2020 3:29 PM
678	Good. I wish we could buy one nonresident parking pass for one family member.	9/15/2020 3:28 PM
679	not very good this year I'm sorry to say...spent \$450.00 and only used beach 3 times	9/15/2020 3:28 PM
680	great as usual	9/15/2020 3:28 PM
681	Very good	9/15/2020 3:27 PM
682	Think the Town Beach did a great job considering all the hurdles they had to deal with!	9/15/2020 3:27 PM
683	Great!	9/15/2020 3:26 PM
684	I didn't like that non-residents couldn't pay for parking and there were plenty of spaces available at both pavilions. I got a lot of parking tickets this year!	9/15/2020 3:26 PM
685	Very good	9/15/2020 3:26 PM
686	Pretty good	9/15/2020 3:26 PM
687	the best year yet. I love being able to get a parking place at anytime never had so much room on the beach itself lets keep it this way	9/15/2020 3:26 PM
688	I LOVE our beach. Thank you!	9/15/2020 3:25 PM
689	much better this year than any other because of the parking for residents only and enforcement of reduced capacity. please continue these policies to allow residents enjoyable access to the town beach.	9/15/2020 3:25 PM

693	Excellent	9/15/2020 3:24 PM
694	Excellent	9/15/2020 3:23 PM
695	Terrible , due to non attendance , WESTERLY Town Beach , belongs to full time tax paying residents ONLY AS SHOULD THE NARRAGANSETT TOWN BEACH	9/15/2020 3:23 PM
696	The teenagers who gather in front of the cabanas continue to be a problem with loud music and gathering in large groups.	9/15/2020 3:23 PM
697	considering the challenges, I thought the experience was great and management shifted guidelines when necessary biggest challenge was people wearing masks at entrance, rest rooms and concession	9/15/2020 3:22 PM
698	Very good. Restricting parking late didn't matter, I am never there at that time.	9/15/2020 3:22 PM
699	Great!	9/15/2020 3:22 PM
700	good	9/15/2020 3:22 PM

705	Very good	9/15/2020 3:20 PM
706	Please limit the number of tourists. Too packed on any given day with or without COVID.	9/15/2020 3:19 PM
707	You did well during the covid year but see comments above for constructive criticism	9/15/2020 3:19 PM

## 2020 Narragansett Beach Survey

709	Very good	9/15/2020 3:19 PM
710	Very good	9/15/2020 3:19 PM
711	Good	9/15/2020 3:19 PM
712	I love the beach.	9/15/2020 3:19 PM
713	Great	9/15/2020 3:19 PM
714	Great	9/15/2020 3:18 PM
715	Good	9/15/2020 3:18 PM
716	In the beginning of the season large groups of young people were not following the pandemic guidelines by not wearing masks and clustering in groups. I also noted that they were not told to wear masks at the pavilion. That is why I stayed away the rest of the season. As the season went on it was better but the large groups of young people almost spoiled it.	9/15/2020 3:18 PM
717	You enforcement of covid/mask guideline was atrocious. Dont have signs and policies posted all over the entrance if you arent going to enforce it. This was primarily evident with the 13-25ish yr old crowd. On multiple occasions I saw groups of teens, no masks, just walk right through the front entrance at North Pavilion....not a single word said. I understand it is difficult for teenagers working the entrance to police other teenagers, but you need to enforce mask wearing. We love NTB but this summer really ruined it for us...not due to unmasked people, but due to the lack of enforcement. There's a reason why Narragansett was a hotspot and Im convinced it relates back to the lack enforcement at the beach.	9/15/2020 3:18 PM
718	great	9/15/2020 3:18 PM
719	Excellent this was a special year	9/15/2020 3:18 PM
720	With the restrictions in place because of COVID it seemed less crowded at times I was very pleased that the parking restrictions were in place in the evenings for Residents of Narragansett and season pass holders	9/15/2020 3:18 PM
721	Love Narragansett Beach. My husband and I walked down to narrow River every time we go to the beach and pick up trash. We usually have a full bag each time. I feel like you keep the beach clean but we end up picking up trash from the current day. You may need to patrol The people that up and leave without their trash. It amazes me how many people just don't care.	9/15/2020 3:17 PM
722	Excellent	9/15/2020 3:17 PM
723	I wish you had a better handle on the smoking and alcohol consumption... very disappointed to have to smell smoke from older group sitting nearby and watch a very large group of young adults slam beers all afternoon..	9/15/2020 3:17 PM
724	weird - but I felt safe enough - it was not the same though but nothing is anymore	9/15/2020 3:16 PM
725	Excellent	9/15/2020 3:16 PM
726	The overall experience was good. The cost is very high compared to other beaches. If prices were to further increase (even slightly), I would probably go to another beach and recommend the same to friends/family.	9/15/2020 3:15 PM
727	Excellent	9/15/2020 3:15 PM
728	Fair	9/15/2020 3:15 PM

730	Great	9/15/2020 3:15 PM
731	I enjoy the beach, but only used it to walk the beach 3 times Next year I hope to be a regular beach goer.	9/15/2020 3:15 PM
732	great	9/15/2020 3:15 PM
733	Excellent / Sometime people got to close. They arrive late and want to sit by the waters edge.	9/15/2020 3:15 PM
734	Terrible For the first time in many many years	9/15/2020 3:14 PM

## 2020 Narragansett Beach Survey

735	It is one of our favorite places in the world. Covid-19 has made every aspect of life challenging, including Narragansett Beach. I think everyone was learning on the fly about how to live in the pandemic	9/15/2020 3:14 PM
736	considering the pandemic it was a very good beach season	9/15/2020 3:14 PM
737	Very Good.	9/15/2020 3:14 PM
738	Awesome	9/15/2020 3:14 PM
739	Excellent! I know that there were issues but I only experienced the good times.	9/15/2020 3:13 PM
740	Excellent	9/15/2020 3:13 PM
741	Not great this year. I don't think it was the fault of the staff I do believe it was an impossible situation.	9/15/2020 3:13 PM
742	wonderful	9/15/2020 3:13 PM
743	I don't mind the additional town restrictions from 5 to 8 PM esp. on the weekends. I wonder if these could be lessened on the weekdays. I would be wary about not being able to check registrations and having Narragansett employees put the tags on the cars going forward. It would be very easy for the parking pass to end up on a non-eligible car.	9/15/2020 3:13 PM
744	Usually awesome this year too crowded but parking was a dream	9/15/2020 3:13 PM
745	Excellent The staff managing the current environment well.	9/15/2020 3:13 PM
746	Wonderful, thank you for all the hard work that made it a wonderful season!	9/15/2020 3:12 PM
747	Wonderful. Thanks.	9/15/2020 3:12 PM
748	It was good. Although I felt that due to the lack of parking for non-residents, areas around the beach were especially congested with both legally and illegally parked vehicles. Additionally, with the parking restrictions I believed that the beach would be less crowded with less non-residents. I did not feel like that was the case. There seemed to be even more out of towners on the beach than in seasons past. Just my observations.	9/15/2020 3:12 PM
749	I would like to see parking lot opened to non residents for food trucks. Need to support our local trucks	9/15/2020 3:11 PM
750	Not good, much too crowded.	9/15/2020 3:11 PM
751	Great	9/15/2020 3:11 PM
752	Fantastic!	9/15/2020 3:11 PM
753	I did not like that the beach was restricted after 5pm. I would often meet friends/family after hours for dinner on the beach, but some of them are not Narragansett residents and they could not get on even though it was never crowded at that time.	9/15/2020 3:11 PM
754	I felt that the people were very respectful of personal space. Very few instances where I had to ask people to move away from me.	9/15/2020 3:11 PM
755	I think you guys did an excellent job this year but would like to see the teenagers and college students kept in check more.	9/15/2020 3:11 PM
756	Very good.	9/15/2020 3:11 PM
757	Great	9/15/2020 3:11 PM
758	Very pleasant	9/15/2020 3:11 PM
759	Fantastic ! Love the parking restriction for resident only through 8pm	9/15/2020 3:10 PM
760	excellent	9/15/2020 3:10 PM
761	Horrible, so sad it has changed and unacceptable behavior is accepted. Glad we bought a boat. No more Narra beach for us.	9/15/2020 3:10 PM
762	Good. I would like to see across the street parking open to general public again during the week. I have had friends at my house that found it difficult to park. Or maybe lease Pier Market Lot.	9/15/2020 3:10 PM

## 2020 Narragansett Beach Survey

763	Great! I liked that the beach was much less crowded and that tje parking lots were for season pass holders only. In years past I had on occasion not been able to park. It was very disappointing after having purchased a season parking pass.	9/15/2020 3:09 PM
764	I wish that the virus didn't interfere with my summer on the beach.	9/15/2020 3:09 PM
765	Once we finally started using the beach we were pleased with the management and cleanliness of the facility. Good Job!	9/15/2020 3:09 PM
766	It's always amazing! Our favorite beach! Prefer the smaller crowds this year than the overcrowding in years past.	9/15/2020 3:09 PM
767	very good ...as a cabana holder , the only issue I saw was the large groups of youths that were hard to control. The staff did well pushing them outside of cabana ends but they still were very large crowds . June was out of control with the drinking so perhaps next year you can start earlier and bring both police in and staff to control that. Overall was ok and understand they can come to beach - but was a little ridiculous as the reason they sit at that end is so they are not monitored - perhaps hire Narra police for a couple weeks and that would thin the crowd faster. I will say many many of the kids were very polite...	9/15/2020 3:09 PM

776	staff did an outstanding job considering what they had to deal with. beginning of season was a mess with the amount of people, many walking on before the beach was open, missed opportunity to collect fees. as season went on the staff was outstanding and should be highly commended for all they had to deal with. i wold love to see the same rules instituted for next season.	9/15/2020 3:07 PM
777	Great experience but would love to continue to see the beach staff on duty at 730 am to prevent early arrivers from freeloading. Also would love to see the beach staff remain on duty and charging full price unitl 8pm.	9/15/2020 3:07 PM
