

## **South County Community Regional MEDS-POD Data 12.28.20 to 3.24.21**

Total vaccinations as of 3.24.21 for all participating towns at South County Regional MEDS-POD Clinics at 1157 South Road, Wakefield, RI.

**8,780 vaccinations (1<sup>st</sup> and 2<sup>nd</sup> doses combined)**

**1<sup>st</sup> doses administered = 5,704**

**2<sup>nd</sup> doses administered (persons fully vaccinated) = 3,076**

**Total Number of 1st and 2nd Narragansett Vaccinations (South Rd. site only) = 1,468**

The first 7 clinics 12.28.20 through 1.30.21 were a combined southern regional clinic targeting residents from the towns of Narragansett, South Kingstown, Charlestown, Westerly, Hopkinton, Richmond, North Kingstown, and Jamestown. Starting on 1.31.21, the clinic numbers represent only Narragansett residents for the remaining clinics moving forward. The South Rd. Regional Community POD is scheduled to **close** following the last 2<sup>nd</sup> dose clinic on Sunday, April 11<sup>th</sup>. Overall a total of 39 vaccination clinics will have occurred at the South County Regional MEDS-POD site.
