MY TREE PLACEMENT FORM

1. In the box below, draw a simple sketch to show the approximate tree planting location on your property. Place the position of the main road, your home with address and other major features (i.e., driveway, existing tree, or walkway, etc.) in the sketch to help to identify where the tree is to be installed by others. Identify the tree planting location with an "X".

2. Must completely fill out form for eligibility.
