**Notes:**

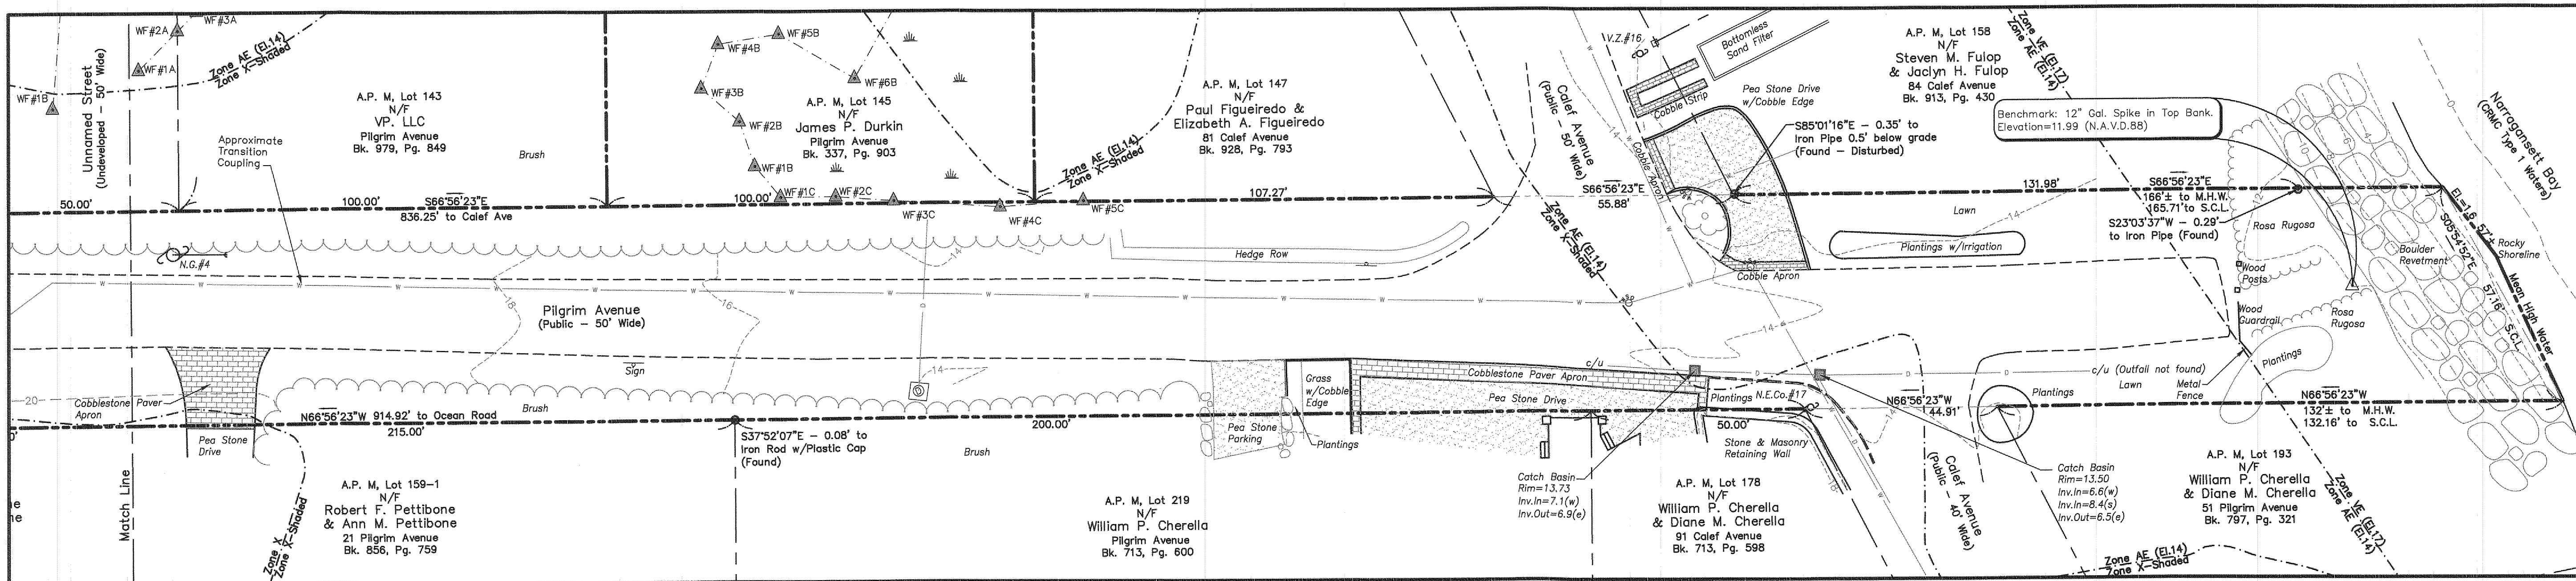

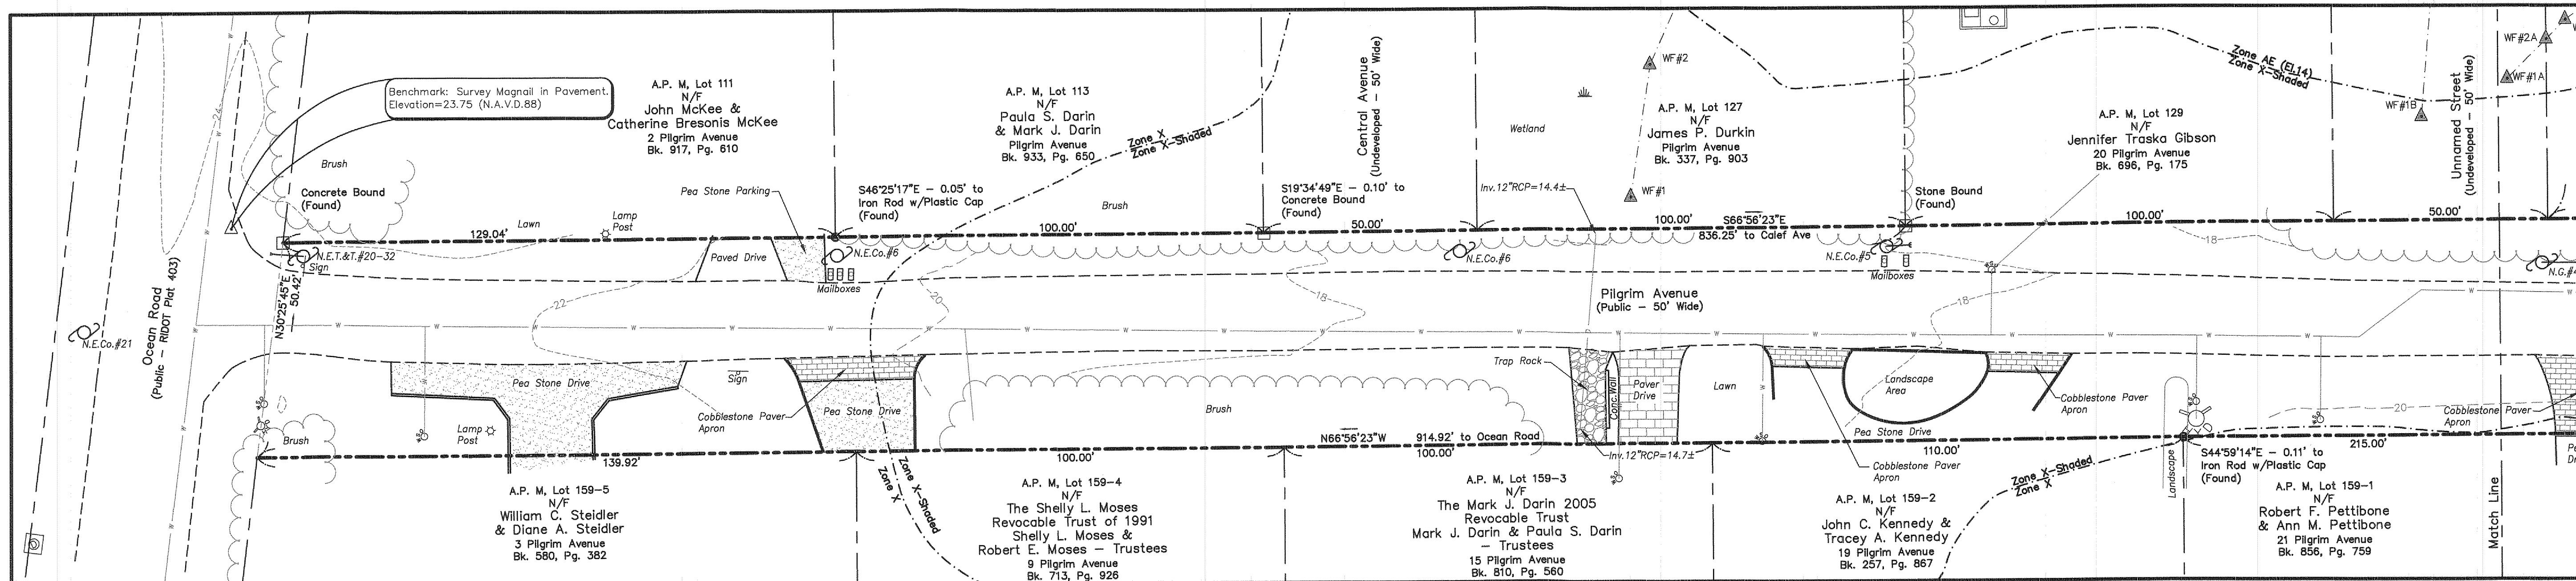

- The underground utilities shown have been located from field survey information and existing drawings. The Surveyor makes no guarantee that the underground utilities shown comprise all such utilities in the area, either in service or abandoned. The Surveyor further does not warrant that the underground utilities shown are in the exact location indicated although he does certify that they are located as accurately as possible from information available. The Surveyor has not physically located the underground utilities. (Please contact DIGSAFE prior to construction @ 1-888-344-7233.)
- Project site is located within Zone X (Areas determined to be outside the 0.2% annual chance floodplain), X-Shaded & Zone VE (B117) as shown on F.E.M.A. Flood Insurance rate map # 4409003261 for the Town of Narragansett, Rhode Island, Washington County, having an effective date of October 16, 2013.

- Project Benchmark: Town of Narragansett Benchmark #15 Concrete Bound with brass disk flush with lawn at southerly of the intersection of Ocean Road and the entrance to Break Water Village. Elevation=24.27 (N.A.V.D. 29) converted to Elevation=23.29 (N.A.V.D. 88) using Corpcorn conversion software.
- The Survey Closing Line is a mathematical line for the purpose of closing the property geometrically and is not to be construed as the property line.

**Certification:**

This survey has been conducted and the plan has been prepared pursuant to 435-RICR-00-00-1.9 of the Rules and Regulations adopted by the Rhode Island State Board of Registration for Professional Land Surveyors on April 28, 2018, as follows:

Survey Type:  
Limited Boundary Survey - Class I  
Data Accumulation Survey - Planimetric - Class III  
Topographic Survey - Class T-2

The purpose for the conduct of the survey and for the preparation of the plan is as follows:  
To perform a Comprehensive Boundary Survey along with Inclusion of Planimetric and Topographic Features for the purpose of preparing an "Existing Conditions Survey Plan".
